Seventy-Fourth Year No. 48

Upland, California, Wednesday, February 5, 1969

36 Pages Ten Cents

LIBRARY DEDICATION -- The new library and fire headquarters will be dedicated at 3 p.m., Sat., Feb. 15 with ceremonies held in the Civic Center mall. The new buildings are the first phase of a civic center complex.

Re-Zoning Starts On 'Green Belt'

Re-zoning of the "green belt" area for R & D (Research and Development) got underway at Monday night's council meeting when Dewey Cable, owner of Cable Airport and advocate of re-zoning, prodded the council members into taking action on a first reading of the ordinance.

The "green belt" area has been under consideration since August, 1966 and contains approximately 42 acres which is located in the Cable Airport area, between Benson avenue and 13th and 15th streets.

Injured In Mishap

Dennis Dixon, 15, 1627 N. 1st Ave., sustained minor injuries when he was hit by a car at 7:41 Tuesday morning at Euclid avenue and Eugene court, according to police officers.

He was taken to San Antonio Community hospital and then released to Kaiser Foundation hospital for further observation.

What's Doing In Upland?

By Jenny Kirkpatrick

RUMMAGE SALE

Upland Breakfast Lions Club will sponsor a rummage sale on Feb. 14 and 15. Earl Bennett is chairman. They will also hear about Teen Challenge at their Thursday morning meeting.

WOULD YOU BELIEVE-COAL? Did you think that black lumpy coal was obsolete in this sleek modern world? Well, it isn't. In fact you may run down to the Upland Feed and Fuel and buy some. They keep it on hand for people who are manning the pot bellied stoves in mountain cabins or want it for their fireplaces. Ray Stump, manager of UFF, told me they sell at least 20 tons of the black shiny fuel a year and as far as he knows they are the only ones around who do so. He said it is more economical to cook with than wood and can be banked, so when you get up on that frosty morn, you can have a roaring fire pronto instead of starting from scratch. It is nice to know there is coal, but would you want to cook with it?

Incumbents File For School Posts

Most of the incumbents in the school district election to be held April 15, have filed intention to run for re-election.

Districts involved in this area are Upland elementary school district, Chaffey Union high school (which includes Upland high school) and Chaffey College district.

The three incumbents in the elementary district are Mrs. Dorothy Gibson, Jay Leman and Dr. John Skewis. In the Chaffey college district, Upland residents and incumbents Mrs. Robert Mellon and Dr. Merle Cox, have announced they will seek re-election.

Chaffey high school district has two incumbents running, Richard Allred, Upland and W. C. Draper, Ontario. Two new candidates filed this week, Martha Chapman, Ontario and Richard Evans, Cucamonga.

Anyone wishing to run in any of these school districts may do so by filing a declaration of candidacy form, with the county schools superintendent's office. Deadline for filing is 5 p.m., Feb. 20, in that office.

Failure To Act

Council Points Finger At Co. Flood Control

City council members adopted a resolution at Monday night's council meeting asking an investigation into the failure of the San Bernardino County Flood

Control District to take action in time of dire need of flood control during the recent nine-day storm.

The failure to take positive

action in controlling the channels in the 19th street area by the district would have been disastrous for the City of Upland, according to the council members, if the city hadn't "taken over" and established some kind of maintenance.

"We must have an inquiry into the facts and an explanation," said Mayor George Gibson.

The mayor was referring to the way the flood control channels in the 19th street area were handled by the county.

"They (the flood control office) asked we leave it unattended in effect and they were too busy to send equipment to help hold the water. I feel it is the responsibility of the flood control district to efficiently maintain the channel at all times," Gibson added.

The resolution said - in part: the San Bernardino Flood Control Act was established in 1939 and with it the creation of the San Bernardino Flood Control District which divided the county into several flood control zones.

The general purpose of the district was to provide for control and conservation of flood waters and the maintaining of water courses of flood waters in order to protect highways, life and property.

FAILED TO ACT
The council members said the flood control district failed to do this and the City of Upland was in danger. When no corrective action was taken by the county the city then had to search out equipment and personnel to control flooding waters that threatened to inundate portions of the city.

Councilman James Christensen said, "We are entitled to an explanation. We should be protected by the Flood Control Act. We are not seeking to place blame, but to see if we can benefit from the experience and be better prepared in the future."

Councilman Max Hawkins said he did not think the county had the money to do the job. "I just don't think we'll get the problem solved without the Corps of Engineers building a dam," he said.

In other business the council: --read letters of appreciation from citizens

--passed on first reading a zone change from R-3 to C-P on an acre of land at 655 N. Mountain ave.

--Approved city engineer's recommendations.

Dedication Program

Dedication ceremonies of the new library and fire headquarters located in the new Civic Center will touch off a city-wide celebration Feb. 13-15.

A gala fiesta will start on the downtown mall Friday, Feb. 14 with entertainment in the Kiosk and strolling Mariacha bands. The event is sponsored by the downtown merchants association.

A delegation headed by Mayor Carlos Valencia of Caborca, sister city of Upland, is expected to arrive for a visit and many plans for hosting the group has been planned.

Saturday will open with a continuation of the fiesta and at 3 p.m., the dedication ceremonies at the civic center mall will be held. The following is the program:

MASTER OF CEREMONIES - Mayor George Gibson

Invocation Rev. K. I. Rusdahl

Presentation of Colors Upland Fire Department

Pledge of Allegiance Led by a representative from:

Boy Scouts, Girl Scouts, Cub Scouts, Explorer Scouts, Teen Club

At 9 p.m. a buffet honoring the sister city delegation will be held at the Upland Inn. The public is invited and encouraged to buy advance tickets. Cost is \$1.50 per person.

AIRPORT PLANS -- Robert Hamilton, Jr. (center) airport manager, Ontario International Airport, shows (left) Harvey Stone, president of Chamber of Commerce and William Rugg, program chairman of the day, plans for airport expansion. Hamilton was speaker at the chamber general meeting Monday noon.

Citizen Of The Month

By Jenny Kirkpatrick

He is known as the "Quiet One." He serves where he is needed, does a good job and quietly disappears. Only those he has worked with or aided are aware of his kindness.

His name is Richard Riley, the principal of Cabrillo elementary school and his "quiet help" has touched many lives both in the field of education and throughout the community.

Miss Sadie Brainerd who taught school under his principalship is one who doesn't mind "telling tales out of school" about Dick Riley.

KEEPS IN TOUCH

"Now that I am retired, he stops by and does the little things I need done. He is very considerate that way. Most men wouldn't think of helping unless called upon, but not Dick. He always keeps in touch. When I go to school functions, he is a very gracious

host and always makes me feel welcome," said Miss Brainerd.

INFECTIOUS SENSE OF HUMOR
She spoke of his sense of humor. "It's infectious and he is always thinking of something witty to say, then tells it with an absolute straight face. He is especially good when things get tense. He also tries to know every student personally and does such a good job of it, that they even say 'hi' to him on the street. This doesn't mean, however, he is one to let students 'get by with anything,' for he is known for his quick, but fair discipline.

OUTSTANDING MAN

"He is an outstanding man." The principal under whom he taught when he first came to Upland was Edwin Dean. The school was Upland junior high school, and he taught science. Dean remembers him as a versatile teacher. "It just didn't matter what class he taught, he was right at home." Later when

GOING FISHING -- Citizen of the Month, Richard Riley, prepares his fishing tackle for one of his "legendary" fishing trips.

Riley was principal of Upland elementary school, Dean remembers sharing quarters with him, like the auditorium, cafeteria, etc. At this time the schools were on the same lot and it was before the junior high school was remodeled. "Dick was always considerate and I enjoyed his harmless jokes, especially when he kept a poker face. I think highly of him and consider it a real opportunity to have worked with him."

Harold Cook, former superintendent of Upland City Schools, hired Riley and like others in the educational field speaks highly of Dick.

EXCELLENT TEACHER

"He was an excellent teacher. We hired him for a science class at Upland junior high school and he did an outstanding job. In fact he had good rapport not only with the students but with the parents as well. As a faculty member he was very cooperative and as an administrator he

is outstanding. One thing about Dick is that he understands people."

Riley's heritage stretches back to early America and to Oklahoma where he was born. He is a descendant of the Creek Indians and attended Bacone college in Muskogee, which at that time was for North American Indians who had one-fourth Indian blood.

It was a non-government college supported by the American Baptist Convention. The college is now integrated and welcomes all students, Riley said.

While at Bacone, he met a girl named Georgia who was a descendant of the Cherokee Indians and right after graduation they were married.

Riley said of his Indian background that the Creeks and Cherokees are two of five civilized Indian nations. They were up-

(Continued on Page 2)

His Colleagues Know Him — As 'The Quiet One'

GRACIAS -- A Cucamonga flood victim is helped with the food and clothing she has picked out for her family, one of which was hurt during the flood. More than 200 families have received aid in this form from community residents who opened their hearts and gave food, clothing and funds.

Dances Highlight Valencia Program

"Artistic Inspiration" was the theme of the Valencia elementary school PTA meeting held Thursday at the school with Mrs. Walter Roberts, president, presiding.

Brownie group 1053 under the leadership of Mrs. William Bell, Mrs. David Chan and Mrs. John Ellis, led the flag salute.

Selected as the nominating committee for the new term of 1969-70 were Mrs. William Rugg, presiding; Mrs. Ray Rietkerk; Mrs. Douglas Brune; Mrs. Don C. Seely and Mrs. Harry Fitzgerald.

Leon Kern, principal, gave a short talk on the

Parent Education meeting on "Narcotics" held recently, and on the art and handicrafts on display. The president introduced Mrs. Rietkerk, program chairman, who in turn introduced first grade teacher, Miss Nancy Magee, who spoke of the molding and sculpturing of clay animal and bird forms the children had formed and which were displayed. A program of dances was given by third grade students of room 10 under the direction of Mrs. Carolyn Morency. They also gave a demonstration on the Flutophone.

Students who participated were: Troy Bakken, James De Rosa, Erich Gaudlitz, David Patterson, Fred Rugg, Les Schneider, Richard Sonner, Mark Waldrop, Jimmy Ward, Brian West, Tamara Anderson, Darcy Biggs, Debra Bray, Debbie Conley, Marlys Cruzen, Diane DeYoung, Jackie Dilley, Diane Fajardo, Fawn Gilmore, Juanita Gomez, Susie Haddock, Staci Iles, Julie Lamb, Linda Murphy, Sheri Nunley, Regina Reblitz, Susan Rosenberg and Debra Krohn, who was in charge of the acoustics.

Thirteen school clubs displayed interest activities and handicrafts, including Campfire Girls, Blue Birds, Girl Scouts, Brownies, Cub Scouts and 4-H Club.

Quiet One

Continued From Page 1 rooted from the south and given land in Oklahoma. These Indians were non-reservation and were not called tribes, but nations. The others are Choctaw, Chickasaw and Seminole. One of his relatives, A. C. Blue Eagle, was a famous Indian artist.

SERVICE CAREER
During WWII Riley served as a captain in the 9th Infantry, overseas for 17 months. The interesting sidelight, he pointed out, is that his secretary at Cabrillo school, Mrs. Fred Perry, has a son, Fred Jr., who also serves in the 9th Infantry.

ATTENDED KU
After the war, Dick and his wife went to Lawrence, Kansas where he attended the University of Kansas and received his Masters degree in Education.

He taught in the city schools of Lawrence for four years and that is where a recruiter from the Upland City School District found him and he, along with his wife, moved to Upland where he took the position as a science teacher.

Riley has been with the district for 16 years. Almost all of the principals in the district have served as teachers under him and they speak of his fine qualities. One, Oliver Soderberg, principal of Citrus school, tells of Riley's hobby, fishing, which is legendary.

"Dick will go anywhere and use any excuse to go fishing. Why I've seen it so cold at Big Bear Lake his line was frozen and we had to pour hot coffee over his reel to get it out of the water. On occasion he fights the fish so hard his reel smokes from the heat of the battle and we have to pour cold water on it, to cool it. We call him the fisherman with the hot and cold running reel."

The Riley family of four youngsters like to go fishing and camping, also. None of them have so far reached their dad's position of legendary fisherman, but they enjoy the fun. Three of them are in Upland high school, Randy, senior, Brenda, junior and Robert, freshman, Russell is in sixth grade at Sierra Vista.

SERVICE TO THE COMMUNITY
Riley was the third recipient of the Foothill PTA Council's Honorary Life Membership. He also belongs to Rotary and is active in the Upland Elementary Association. He has served on Boy and Girl Scout Boards and was chairman of the March of Dimes Drive, for the Upland school district.

He is active in the First Baptist church of Ontario where he serves on the board and coaches teenage sports. He has worked on the police and community relations committee and helped on the Park Bond issue committee.

Some of his students who have gone on to college and married and have moved back to Upland now have children at Cabrillo school. "If this keeps up," he said, "someday I'll have my former student's grandchildren," but this is all right with him because he says all of his students and parents are "outstanding."

He best sums up his philosophy of life in his own words. "I enjoy my work because the people in Upland are so wonderful."

Cucamonga Sailor Dies In Vietnam

CUCAMONGA - Sea-man Stephen William McKinley, formerly of Cucamonga, died Jan. 20 of injuries he received while on river patrol along Kinh Bong Tien Canal, Vietnam.

He has been taken to the 29th Evacuation Hospital at Binh Thuy. He was 23. He had served in the Navy for two years.

Survivors include his widow, Mrs. Janis K. McKinley of Hilmar; his parents, Mr. and Mrs. Lawrence W. McKinley of Cucamonga; and his grandmother, Mrs. Ruth D. McDonald of Cucamonga.

Contributions may be made to the Stephen McKinley Memorial Trust, in care of the Fullerton Savings and Loan, 200 W. Commonwealth st., Fullerton, for the Sunny Hills high school agriculture department, Fullerton.

Arrest Pair With \$15,000 Market Loot

CUCAMONGA - Two men were arrested Sunday night in the act of robbing the Mayfair Market here of nearly \$15,000 sheriff's deputies reported.

Deputies seized \$14,501 in cash, a sawed-off 12-gauge shotgun and a .38 caliber revolver. They arrested both Virgil Marion Kellison, 59, of 833 Drake ave., Claremont, and Louie Halterman Jr., 40, of 2003 Reservoir st., on suspicion of armed robbery.

Deputies said they surprised the two as they were about to leave the market at 9477 Foothill blvd. Officers were called by a long distance operator who was alerted by the assistant store manager, Earl Eugene Emmons.

The two men entered the store about five minutes before closing time

and were seen by Emmons when they began herding clerks about after the store closed. Emmons hid in the office, unknown to the two men, and called the operator, officers said.

Deputies said neither of the men offered any resistance. When Halterman lay down on the floor as instructed, deputies said they heard a noise and searched him. They found the shotgun strapped to his waist and the revolver in his pocket, deputies said.

The two suspects were carrying two bags containing \$14,501 in cash which was taken from the cash registers in the checkout area and from the safe, deputies said.

About seven deputies from the West End Sheriff's substation went to the market on the call.

Five Delegates To Convention

UPLAND---St. Mark's Episcopal Church, Upland, will be represented by five delegates. The Rector, Father Harrison, and four laymen, at the 74th Annual Convention of the Diocese of Los Angeles to be held February 7-8 in the International Hotel in Los Angeles.

They are: the Rev. John D. Harrison, rector; Mr. and Mrs. Phillip Born and Mr. and Mrs. Warren R. Savage. Alternate delegates are: Mr. and Mrs. Fred Riddington, Mrs. Lewis D. Ayles and Mr. and Mrs. Kenneth Stelner.

A Diocesan-wide Youth Conference is also being held at the International Hotel, Feb. 7, 8, 9 with 600 High School and College age young people attending as delegates. Those from St. Mark's Parish are Miss Priscilla Stelner, Mr. Ed Butts and Mr. Danny Davidson.

The chief legislative body of the Episcopal Diocese of Los Angeles, Diocesan Convention will convene Friday, Feb. 7, in the ballroom of the International Hotel.

AMY DENICE

Mr. and Mrs. Dennis McAdams of 461 N. 6th ave., Upland, are the proud parents of a baby girl, Amy Denice, born Jan. 7 at San Antonio Community hospital. Amy weighed 7 pounds, 4 1/3 ounces at birth.

No Contamination In Heights Water

SAN BERNARDINO--Bacteriological samples taken from the lower system of the San Antonio Water Company in the Upland area indicate there is no contamination in the system.

This report came from Dr. Merle E. Cosand, San Bernardino County public health officer.

Samples were taken after repairs and disinfection of the lower system, Cosand said. He emphasized this applies only to the lower San Antonio system, located south from 25th street.

Anyone located north of 25th street should telephone 982-4107 to ascertain what system they are in.

'Guys, Dolls' Set As ALHS Musical

Don Bowers, choral director at Alta Loma high, announced that tryouts have been completed for the school musical, "Guys and Dolls."

Roles, and students chosen for them, are: Sarah Brown, Daniele Johnson; Sky Masterson, Grant Hollist; Miss Adelaide, Cindy Musser; Nathan Detroit, Allen Stelger; Nicely-Nicely Johnson, Toby Douglas; Benny Ochoa; Harry the Horse, Mark Uhler; Rusty Charlie, Marc Pepin; Big Jule,

Joe Powers; Arvide Abernathy, Tim Downey; General Cartwright, Martha Basham; and Lt. Brannigan, Steve Hills. Dancers are: Kathy Clayton, Vicki Keys, Carl Ayres, Cindy French, Mikki Lubecki, Cheryl Hamilton, Laurie Nyberg, and Robin Cheadle.

The musical will be staged at Alta Loma auditorium, March 7 and 8 at 8 p.m.

Paul Andrews Receives Honors

Paul Andrews, son of Rev. and Mrs. B. E. Andrews, 279 E. Buffington, Upland, has won academic honors at Seattle Pacific College for superior scholarship autumn quarter.

Mr. Andrews is a Junior at the college.

The announcement was made by Dr. C. Melvin Foreman, dean of academic affairs for the college.

Pulse Of The Plaid

By Andy Wilson

Upland High

Upcoming in the month of February is a variety of activities. The Chaffey District Honor Band will present a concert February 6 and 7.

Wednesday, February 12 UHS students will enjoy a holiday.

The very next week has still another day of freedom. Do not, however, get your hopes too high. In order to qualify for state financial assistance, the school must have a certain number of daily sessions. The day lost last week must be made up. As of this writing, a date for the makeup has not been set.

The Senior Production will be presented on February 19. This is a talent show put on each year by the Senior class. The theme is vaudeville for this year. In charge of the script is Rick Vogt.

To those boys who are suave, debonair, handsome and conceded, applications for Backwards King and Court may be filed the week of February 17-21. This is an annual activity sponsored by the Girls' League where, instead of choosing a pretty young lady, a handsome young man is elected to be royalty. The dance is to be held Mar. 8.

Dear Old Gal
Why in these days of upheaval anyone should want to live to be 100 years old is something to ponder. But quite a few do. And for quite a variety of reasons.

For an example: a survey of 800 centenarians in Great Britain turned up such aids to longevity as drinking garlic juice, eating peanut butter, abstaining from liquor and tobacco, raising a big family, being contented.

SENDING INVITATIONS -- Inviting area MAPA members to the annual Scholarship Benefit Dance of the Cucamonga-Upland Chapter of the Mexican-American Political Association are, from left, Mmes. Armando Navarro, Leo Juarez, John Small, Margarita Ramos, Hank Tirre, Estrella Hernandez and Delfino Segovia, chairman.

West End United Fund Drive Goes Over Top

"The West End United Fund Drive has gone over the top," it was announced this past week by George W. Vinnege, 1968 Drive Chairman. To date collections have amounted to \$363,551 -- which represents \$41,740 more than last year.

Vinnege further added, "This is the first United Fund Drive to exceed the 100% mark since 1965, and I attribute this success to the excellent workers recruited, the motivation, drive and enthusiasm possessed by the workers. The biggest factor involved was the enthusiasm of the givers -- with many new contributors in addition to the former givers increasing amounts of their gifts, a substantial increase over the total goal of \$360,000 was realized."

Vinnege continued, "Currently each of the participating agencies are meeting to present their agency budgets in anticipation of receiving funds allocated. Warren Savage is Budget Committee Chairman and is in charge of the tremendous task of hearing all these budgets."

Vinnege urged the nine communities throughout the West End

United Fund area to join in the annual meeting to be held on Wednesday, Jan. 30, at noon, at the Upland Inn. At this time he will present the final break-down of each division as well as present awards.

The twenty-four participating agencies who will share in the West End United Fund monies are: American Red Cross, American Social Health, Boys' Club of Upland, Boy Scouts of America, Camp Fire Girls, Children's Hospital, L. A., Chino Council of Social Services, Chino Neighborhood House, Epilepsy Society, Spanish Trails Girl Scout Council.

Also, Inland Area Urban League, Orthopaedic Hospital, L.A., Ontario-Pomona Association for Retarded Children, Pomona Valley Hearing Society, San Antonio Community Dental Society, Salvation Army, Salvation Army Extension Service, San Bernardino County Council of Community Services, U.S.O., Visiting Nurse Association, West End Council of Community Services, West End Family Counseling Service, West End Legal Aid Society, and the YMCA.

Nominating Committee Announced

Alta Loma high PTA held its general meeting Thursday, Jan. 23 at 7:30 p.m. in the teachers lounge.

A short business meet-

ing included election of a nominating committee consisting of Mrs. Floyd Easterday, chairman, Mrs. Lawrence Ornelas, Mrs. Milton Hill, Mrs.

Eugene Billings, Mrs. Jack Whitney, Burton Wiley, school principal, who will serve as advisor.

The program entitled "What I Like and What I'd Like to Change at Alta Loma High," was introduced by Mrs. Easterday, vice president.

Josie Franco, Kerry James and Dan Stevenson made up a panel with a school counselor, Mr. O'Connors, moderating. Discussions ranged from sports, government and dress code to narcotics and smoking problems. A question and answer period followed the panel discussion.

Refreshments followed the program, served by Mrs. John Hargrave, hostess for the evening.

Next general meeting will be held March 20.

Upland Kiwanis Name Chairmen

The 1969 chairmen of the Upland Kiwanis Club have been appointed.

Serving will be the following: Orville Garrison, achievement; Max Hawkins, agriculture and conservation; A. Van Tuerbergan, boys and girls work; Don Dennis, Boy Scout Troop #608; Sherman Anderson, Boy Scout Troop #608 Institutional rep.; Charles Gladson, bulletin.

Rod Anderson, Circle K; Robert Miller, conventions; Cal Jordan, education and attendance; L. Mather, fellowship and reception; Frank Splatt, finance; A. Brannan, gum ball machines; Allen Palmer, historian; Fred

Strohle, house.

Gene Demchuk, international relations; L. Mather, inter-club relations; Bob Patterson, Key Club; Frank Splatt, laws and regulations; Orville Garrison, membership development; Frank Bonnet, programs and music; Bob Mills, public and business affairs.

Howard Norris, publicity and public relations; Harold Long, rummage sale; Don Hanlon, Sgt. at Arms and stunts; Earl Savage, social; Hershel Glenn, support of churches; A. DeYoung, swim meet, and Alex Angel, vocational guidance.

Pack 616 Gains Awards

Cub Pack 616, sponsored by The Church of Jesus Christ of Latter-day Saints, recently held their monthly meeting in the church cultural hall.

The flag ceremony was led by the Webelos Den. Opening prayer was offered by Craig Dalton of Den 2.

Announcements made by Cubmaster Robert Reichmann concerned Scout Week Feb. 7-13; the annual Blue and Gold dinner to be held Feb. 27 at 6 p.m. in the church cultural hall and prizes to be given den having best table decorations.

Webelos Den Leader Roy Dunning presented the following awards to the boys: a Wolf badge to Doug Sherman; Bear badge to Tom Cox and Edward Belliston; Denner stripes to Steven Marose, Kirk Hyatt, Tom Bemis, Steve Mechan; assistant Denner stripe to Derek Miles, Matthew Thomas,

Kim Williams and Richard Davis; 1-year Service star to Steven Marose, Joan Haner, assistant den mother; 2-year Service star to Arlen Matheson, Verna Matheson, den mother; Gold arrow to Steven Marose and Edward Belliston; Silver arrow to Arlen Matheson, Edward Belliston; Webelos colors to Arlen Matheson, Steven Baguley; Athlete pin to Steven Baguley, Joseph Allred and Gary Teal; Showman pin to Andy Busby, Gary Teal; Artist pin to Andy Busby; Scientist pin to Gary Teal.

Mike Pendleton graduated from Cubbing into Boy Scout Troop 616 and received his 3-year service star, Arrow of Light badge, and his 3-year 100% perfect attendance bar.

All boys were given their registration cards. Den 4 received the honor flag.

MAPA Aids Families Schedules Benefit

Members of the Cucamonga-Upland Chapter of MAPA (Mexican-American Political Association) attended an unscheduled meeting Jan. 31, at the home of Mr. and Mrs. Delfino Segovia, Upland.

The session was in response to emergency calls sent out to MAPA members earlier in the week by Armando Navarro, chairman. The appeals resulted in several truck loads of canned food, shoes and warm clothing for flood victims.

Rudy Valadez, principal of Cucamonga school, aided by North Town youth and MAPA members, spent Saturday distributing to those families most in need, families unable to reach distribution centers organized by state and civic groups.

Appeals received by MAPA for help in securing transportation to those distribution centers brought to light the gap in communication that exists and separates the disadvantaged area from the rest of the community, according to Navarro. "MAPA with the continued help of local Mexican-Americans hopes to staff a small distribution center at the Teen Post on 24th st., Cucamonga, for the benefit of our Amigos living in this portion of the community," Navarro said.

Cub Scouts Set Dinner Feb. 18

Upland Cub Scouts pack 605 will hold their annual Blue and Gold dinner February 18.

This will be a father-son dinner and will take the place of the regular pack meeting. It will be held at Sierra Vista school starting at 6:30 p.m.

On Saturday, Jan. 25, the Cubs toured the facilities at Ontario International Airport.

30 DAY LAY-A-WAY

Church Hearing Set For Feb. 6

The San Bernardino County Planning Commission will consider site approval for the Apostolic Church in a C-1 (neighborhood business) zone, during a public hearing Feb. 6 in San Bernardino.

The proposed site is located on the east side of Center street approximately 50 feet south of 26th st., in Cucamonga. The hearing is scheduled for 1:30 p.m.

Two other area hearings are scheduled following the first. One concerns a variance requested by Rudy Brumund to raise, show,

breed and board horses in an R-1-20M (single family residence, 20,000 sq. ft. minimum parcel site) on the north side of Almond st., approximately 400 ft. west of Amethyst street in Alta Loma.

The other is for a variance for a free standing sign in a C-1 (neighborhood business) zone on the southeast corner of Foothill boulevard and Grove avenue in Cucamonga just east of the Upland area. The request was made by the United Real Estate Company.

When you discover you need an extra bedroom, we'll help you find the extra money.

Our home improvement loans also include lots of other extras. Ask us.

PINPOINTING TRAFFIC HAZARDS -- Terry Meisen of Chaffey college, was one of four who participated this semester in a police-college work-experience program held at the Upland Police Department. The students spent a total of 12 hours learning the fundamentals of police work by on the job training. Terry's uncle is a policeman and he hopes to follow in his steps.

Dr. L.S.B. Leakey

White Kikuyu Anthropologist Featured Feb. 10

ALTA LOMA - World-known anthropologist L.S.B. Leakey will be featured in a Chaffey College community convocation at 11 a.m., Feb. 10.

His address in the college gymnasium will concern "Evidence of Man's Evolution in Africa." There will be no admission charge.

Dr. Leakey and his wife, Mary, devoted nearly 30 years to research in Olduvai Gorge, Tanzania, Africa, before their patience resulted in a 2,000,000 year bonanza. Their chain of fossil findings caused the textbooks on earliest man and his relatives to be rewritten. Links in the Leakey

chain comprised first the discovery of the fossils of 1,750,000-year-old Zinjanthropus, a near-man and then of 2,000,000-year-old Homo habilis. Homo habilis was a tiny tool-maker within man's genus.

BEFORE LEAKEY, the scientific consensus was that man developed as a tool - making creature less than a million years ago and that Asia, not Africa, was the cradle of his genesis.

With new documentation, Dr. Leakey advanced a dramatic theory.

His premise was that Homo habilis and Zinjanthropus plus a third hominid, represented by

meager fossils, were neighbors in primordial Africa, and that nature was experimenting. He concluded that only pint-sized Homo habilis survived to become man's direct ancestor because he made tools.

He is convinced that the evidence firmly indicates that man's earliest ancestor lived twice as long ago as traditionally supposed and that his homeland was Africa.

OWING TO the range of his activities, the 63-year-old Britisher has been called a contemporary Renaissance Man. He is an anthropologist, paleontologist, zoologist, anatomist and author.

The scientist, African-born of missionary parentage and Cambridge-educated, thinks of himself as an East African, not as a Britisher.

It is a point of pride with him that he is the only white member of Kenya's Kikuyu tribe. He was initiated at age 13 into Kikuyu manhood. He credits much of his success as a fossil hunter to the council he received long ago from the old men of the tribe.

He once said: "I can still hear the Kikuyu elders telling the boys of my age over and over, 'Be patient, be careful, don't hurry. Try again and again and again.'"

WHEN LEAKEY entered Cambridge, he got permission from university authorities to continue his studies in Kikuyu for credit, but next he had to meet an ironic academic challenge. The 18-year-old student had to teach Kikuyu to a language professor so that his teacher could give him examinations on the subject.

Dr. Leakey believes in direct observation and--where at all possible--close-quarter involvement to gather the facts and get the job done.

To prove for himself the capability of prehistoric hunters, he stalked down a swift Thompson's gazelle and killed it with his hands and skinned it with a stone-age tool. To demonstrate human limitations, he tried with his teeth to skin animals, ranging from rabbits to antelopes, and proved it couldn't be done.

From such observation and involvement, he surmised that early man was forced to invent stone tools to provide himself with pelts.

LIFE FOR the Leakeys is still the dusty Olduvai Gorge. Mrs. Leakey often supervises excavations in the bone-dry 35-mile-long gash when her husband is occupied as curator of Coryndon Museum of Natural History in

Nairobi. The Leakeys have three sons.

When the National Geographic Society conferred the Hubbard Medal on the husband-wife team, Dr. Leakey said: "This medal belongs not to two Leakeys but to five. Whatever we have done, we have done it together."

Name Harry K. Zeller, Jr. To Casa Colina Post

LA VERNE -- Harry K. Zeller Jr., who has been listed in "Who's Who in America" since 1964, will take over the position of Director of Development at Pomona's Casa Colina Hospital for Rehabilitative Medicine on April 1, it was announced by Richard T. Moore, hospital administrator.

Licensed to preach at the age of 19, Zeller has held Church of the Brethren pastorates in Elgin, Ill., and more recently, at La Verne.

He explains his decision to come to Casa Colina in this way: "Casa Colina is dedicated to the rehabilitation of the whole person. A person is made new in many ways including the physical, the social, the psychological and, in fact, the whole subtle complex of a complete personality."

"And total well-being is, after all, what I have been working at in my ministry. We call it renewal in theological circles, but the goal is the same, a new person. I have been stimulated by the imaginative way Casa Colina probes the spectrum of human renewal," he concluded.

Zeller has served as moderator, International Conference, Church of the

Brethren; chairman, General Brotherhood Board, Church of the Brethren; president of the Pomona Valley Council of Churches; and participated in the British-American Pulpit Exchange.

A volume of sermons entitled, "Peace is Our Business" is also credited to Zeller.

He has been active in the University club, Kiwanis and Rotary, has served on the Board of Directors at West Covina hospital and has been an official host, Distinguished Visitors Program, with the U. S. Department of State.

A delegate to the World Council of Churches in Uppsala, Sweden, in 1968, he was also an official guest of the Bonn Government in a German Study Tour in 1955. A Sabbatical took him to 12 European countries and Turkey in 1966. Zeller was also a guest at the dedication of the Archeological and Biblical Institute in Jerusalem in 1963.

In conjunction with his responsibilities as a minister, Zeller has been active in budgeting, goal attainment, long range planning and financing. In this capacity he has worked with the Wells Company and the Rogers Company.

RUMMAGE SALE -- The west End Democratic club rummage sale held recently was a success and was well attended, according to club officers. (Left) Mrs.

Neal Stover, chairman and Dan Paciote, co-chairman, coordinated the efforts. Also shown is Pauline Fisher and eager shoppers.

Phil Stone Wins At San Jose SC

SAN JOSE-Phil Stone of 1312 N. Second Avenue, Upland, a senior journalism student, and editor of the Spartan Daily at San Jose State College, as one of the 20 SJSC student who has been listed in the current edition of "Who's Who in American Universities and Colleges."

Who's Who carries the name of distinguished students whose academic standing, service to the community, leadership in extracurricular activities and future potential are decidedly above average.

Stone has also edited the Allen Hall newspaper.

HANDICRAFTS -- Members of the Tan-Da-Ki-Wan Campfire Girls display some of the handicrafts they made and which were shown at a recent PTA meeting at Valencia school. Members shown are (from left)

Carolyn Rietkerk, Tracy Smith, Robyn Miller, Linda Rugg, Amy Cook, Laura Bunte, Collette MacFarlane and Tracy Wake.

OES Social Club To Meet, Feb. 12

Following a pot-luck luncheon at 12:30, in the home of Mrs. Betty Tinker, 333 North Laurel avenue, members of the Upland Chapter Order of Eastern Star Social Club will hold the regular monthly meeting on Wednesday, February 12. Mrs. Maude Grahame, president, invites chapter members to be present and take part in plans for the coming year.

Susan Mayer, CWO Linda Fisher and John Stephenson.

Problem Of Drugs To Be Considered

A Drug Awareness Program slated for Mon., Feb. 10, at Sierra Vista school in Upland at 7:30 p.m. in the auditorium.

The Upland Junior Woman's Club has scheduled a program on the problem of drugs in our community. The public is invited

to attend.

The Upland Police department will be presenting the program in which the public will be informed as to what to look for and what to do after finding drugs. There will be question and answer periods following the program.

Operation Cheer Meets; Makes Yearly Plans

Operation Cheer, the volunteer organization that sends letters and packages to servicemen in Vietnam, kicked off its year of activity with a rousing meeting held at Bill's Ranch Market recently.

Welcomed at this meeting were Mayor George Gibson, Councilman, James Christensen and City Manager Elwin Alder.

Mayor Gibson spoke briefly to the group and told them of the city's appreciation for the wonderful work being done. He also said the city would cooperate in any way possible.

Helen Stott, president, conducted the meeting and welcomed three Vietnam soldiers home. They were Richard Smith of the Marines, and Larry Mendoza and Xavier Hernandez of the Army. A red, white and blue cake with "Welcome Home," was served with coffee, as a celebration.

Many fund raising activities were reported in the making, the first being a rummage sale which was held last week. Coming up are the following: Valentine Bake Sale, Feb. 7 and 8, at Bill's Ranch Mkt.; Old Fashioned Box supper, March 7, place not determined; Easter Bake and Candy sale, April 4 and 5, Bill's Ranch Mkt.

Luau and Variety program, May 9, place not determined. Pancake Breakfast, June 14 and 15, Upland Memorial Park; Picnic Booth and Float, July 4, Euclid Avenue; Dime a Dip Smorgasboard, Aug. 16, place not determined.

Ice Cream and Cake Social, Sept. 7, place not determined; Celebrity Entertainment, October, date and place not determined; Festival of Gifts Bazaar, Nov. 7 and 8, place not determined; and Christmas Potluck for membership card holders, Dec. 14.

New officers serving for the year besides Mrs. Stott are: Maria Ragone, vice president; Emily Jaeger, sec.; Gertrude Rucker, treas.; Raymond Sothcott, chairman board trustee; Charlene Bennett, second trustee; Chester Ayres, third trustee; Steve Megarge, fourth trustee; publicity, Joan Sanderson and Betty Meza, sadness and sorrow.

All business meetings of the group will be held at Bill's Ranch Mkt., Foothill boulevard and Grove Avenue on the third Tuesday of the month. The next meeting is Feb. 18. Card holders, volunteers and all those interested in the group are invited to attend.

Frank McMakin Named To Head Local IOOF

Frank McMakin was installed Noble Grand of the Independent Order of Odd Fellows, Euclid Lodge 68, in a recent ceremony in the Upland Odd Fellows Hall.

Andy Winja, grand master for District 95, and his staff, conducted the installation.

Serving with McMakin will be Aubrey Schmidt, vice grand; Whit Harvey, warden; Ernie Woltje, conductor; Clarence Jacobs, chaplain; Niles Katt, and Claude Curteman, right and left supporters of the noble grand; Carl Reitz, and Al Hardwick, right and left supporters of the vice grand; Paul Owen and James Burge, inside and outside guardians; Hugh Culbertson and John Wilkins, and Jerry Davis, color bearer.

CD Program Meet Topic

On Monday, Feb. 3, at 7:30 p.m. the Foothill Area Council of Beta Sigma Phi met in the Ontario City Council Chambers for their Civil Defense program of the year.

Mrs. George Reeder, Civil Defense chairman for Foothill Area Council introduced Col. Neville Grow, Director of Civil Defense for the city of Ontario, who presented an informative program entitled "Block Mother Program" now being used in the Ontario-Montclair School District.

Following the Civil Defense program there was short business meeting of the Foothill Area Council conducted by Mrs. Bruce Johnson, President.

REMEMBER BOY SCOUT WEEK FEB. 7 to 13

Newcomer's Luncheon Wednesday

The Upland Newcomer's Club will meet for their monthly luncheon on Wednesday, Feb. 12, at Matteo's, Restaurant in Claremont.

Following the luncheon, members will take a tour of Chaffey Cultural Center in Upland.

Organized three years ago, the Upland Newcomer's Club aims to make the community a better place in which to live by making all members feel at home in the city and community; creating goodwill, understanding and neighborliness among all people in the community, and contributing to harmonious and concerted efforts through the year to welfare and humanitarian projects. At the same time, members gain a host of friends.

The Upland Newcomer's Club meets the second Wednesday of each month with special interest groups meeting at other times of the month.

Fun After 50 Slates Trip To Palm Springs

There are a few reservations available for the tour to Palm Springs on Feb. 27, starting with a ride on the TRAM to the top of San Jacinto mountain (dress warmly), followed by lunch; then a SURPRISE TOUR to very interesting places.

Buses will leave the A & P parking lot at 9:00 a.m., and seating will be according to the time of reservations received.

For further information call: May Walker - 987-3400 or Myrtle Buchanan - 985-4272.

Arambula-Ramos Wedding February 15

Mr. and Mrs. Charles Arambula of 1742 Third street, LaVerne, recently announced the engagement of their daughter, Cordelia, to Joe Arthur Ramos, son of Mr. and Mrs. Gustavo Ramos of 672 Vallejo Way, Upland.

The bride-to-be was graduated from Sonita high school in LaVerne in 1965. She is presently employed by General Tele-

Assistees Just 'Luv' Fashions

Assistees Auxiliary of Assistance League of Upland will hold its annual fashion shows luncheon at the Red Hill Country Club in Cucamonga on Saturday, Feb. 8 at 11:30 a.m.

Miss Vicki Van Antwerp is chairman of the event whose theme this year will be "For the LUV of Fashion".

Mrs. Raymond W. Fischer and Mrs. Paul R. Gardner, Jr., adult advisors, and Misses Pamela Holgate, Margo Horgan and Jane Vath will assist Miss Van Antwerp.

Assistees members will model fashions from the Winsor Shop in the Montclair Plaza while Mrs. James Morton narrates. Models will be Misses Karol Causey, Betsy Deal, Kelli DeVore, Sharon Dight, Pam Dischinger, Mary Hamilton, Diane Hixson, Donna Hixson, Pam Holgate, Margo Horgan, Kathy Melillo, Cyndi Rebeck, Shirley Stewart, Vicki Van Antwerp and Jane Vath.

This event is open to the public. Tickets may be purchased from Assistees members or by phoning Miss Holgate at 982-9864.

Mrs. Mellvine Fuchs

Cuca-AL Women Slate Luncheon

The Cucamonga - Alta Loma Woman's Club will hold their regular monthly meeting and luncheon Wednesday, Feb. 12, 12:30 p.m. in Sweeten Hall.

Mrs. Mellvine Fuchs, president of the San Bernardino District, (21)

California Federation of Womens Club will be the guest of honor.

The luncheon will be handled by Mrs. Paul Lucifora. A workshop on parliamentary procedure will be held at the home of the first vice president, Mrs. Lester Adkins, on Tuesday, Feb. 18, 10 a.m. (in Alta Loma).

Mrs. Henry Lucas will conduct the workshop. All members are welcome.

Mrs. Seay Heads Club

On Jan. 15, the Upland Sirens held their annual installations meeting at the Sage Hen restaurant for dinner.

Guest speaker was Mrs. Fred Kramer who told of the past year's accomplishments and introduced the newly elected officers.

New Officers of the organization are President, Mrs. Howard Seay; vice-president, Mrs. Brad Myers; secretary, Mrs. Nelio Petronzio; treasurer, Mrs. Gary Hart; publicity chairman, Mrs. Robert Reever and parliamentarian, Mrs. V. Bram-blett. Mrs. John Wessely is advisor.

If not too badly soiled, white kid gloves may be freshened by wiping them with a thin cloth dipped in skim milk. It is best to do this with gloves on.

January 15, the recreation hall at Sycamore Villa Mobile Home Park was once again active and all are happy to know the "flu bug" has flown the coop!

David Buchanon

Mr. and Mrs. Wesley M. Buchanan, 7012 Jasper st., Alta Loma are the parents of a son, David Wayne, who was born Jan. 5 at San Antonio Community hospital. He weighed 7 pounds, 13 ounces.

AL-JHS Chorus Sings, Feb. 6 At PTA Meet

A program entitled "Heritage" will be presented by the Alta Loma Junior high school chorus at the Carnelian P.T.A. general meeting Feb. 6, 7:30 p.m.

All of Carnelian's youth groups will be in attendance and during the musical program will be recognized by spotlights on the individual organizations.

An Honorary Life recipient has been selected and will receive the award at this meeting.

The selection of a nominating committee to elect new officers for 1969-70 is also on the business agenda. Information may be obtained by calling 987-5244.

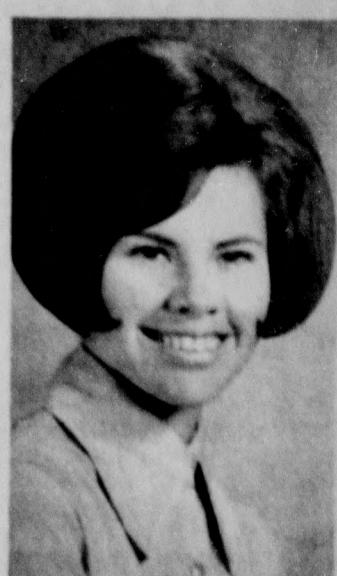

Miss Wood Sets Summer Nuptials

The engagement of Miss Florence A. Wood of Long Beach and Gary E. Freeland of Signal Hill, Calif., was announced at a family dinner this month at the home of her mother, Mrs. Walter W. Wood, 134 N. 1st ave., Upland.

Miss Wood is the daughter of Mrs. Wood and the late Dr. Walter A. Wood. Mr. Freeland is the son of Mr. and Mrs. Zane Freeland, of Corona, Calif.

Guests attending included the bridegroom's parents, his grand-mother, Mrs. Harry B. Osborne of Bowling Green, Ohio and his brother Ronnie Freeland of Corona; the bride's relatives Mrs. Walter A. Wood Jr., and children Jo Anne and Ronnie of Upland; Mr. and Mrs. W.E. Farris of Llano, Calif.; David Wood of Pomona; Miss Dorothy E. Wood of Upland and Ed Lorentzen of Colorado.

Miss Wood is a graduate of Upland high school where she was active in Future Nurses, Girls' Athletic Association and the Upland high school band. She graduated from Chaffey College in 1965 where she had participated in the Chaffey College Band. She will graduate from Long Beach State in 1970. She is majoring in physical therapy and is participating in the Physical Therapy Club, badminton intra-

Miss Florence Wood

mural and Girls' League. She and her sister visited Peru and Brazil with their mother in 1966.

Mr. Freeland is a Corona high school graduate. He was in the honor society and the Key Club. He received a B.S. in Civil Engineering at Cal State Long Beach where he is currently completing graduate study. At the college he is vice president of N.S.P.E., a member of Alpha Gamma Sigma, A.S.C.E., and vice president of I.C.C. He is employed as a structural mechanical engineer with Douglas Air Craft Div. in Long Beach.

A summer wedding is planned by the couple.

Sorority To Aid Heart Fund Drive

XI Gamma Kappa members volunteered to assist the Heart Fund in its drive it was announced at a recent meeting held in the home of Mrs. Ed Brown.

Mrs. Frank Nay, co-ordinator of the project, announced the group will campaign in the downtown business area.

Mrs. Keith Krumwiede, Foothill Area Council Representative, reported the council has planned a Civil Defense program Feb. 3 for all local chapters of the sorority. Speaker will be Neville Grow, Civil Defense Director, who will speak on the local Civil Defense facilities and explain the Block Mother Program.

Mrs. C.B. Gleason, the group's San Antonio Hospital Auxiliary Representative, gave a report of

the recent meeting.

A Valentine queen was selected by the chapter with the winner to be revealed at the annual Valentine party to be held Feb. 6 at the home of Mrs. William Ferris, Jr.

Northwestern Europe and Mexico were the countries "explored" this month. The programs were presented by Mrs. John McGrogan and Mrs. Gerald Neisen.

PAPER PLATES--Americans are using paper plates for more than summer picnics. Sales growth of paper cups and plates had doubled during the past four years in supermarkets.

Quimby Appointed To House Committees

SACRAMENTO - Assemblyman John Quimby (D-Rialto) has been appointed by Assembly Speaker Bob Monagan to membership on the Revenue and Taxation and Water committees.

Quimby earlier had been re-elected to the Rules Committee of the lower House for the third straight year.

Quimby said he was "delighted" with the assignments to three of the most important committees in the State Legislature.

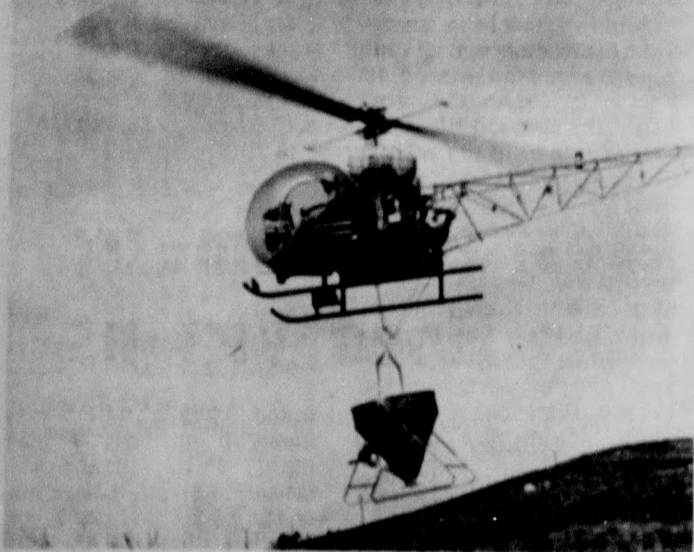

The San Bernardino County lawmaker said despite a slim majority of Republicans on the Revenue and Taxation Committee, there will probably be a "bi-partisan-ship attitude" by committee members because of the serious need for tax reform and re-structuring California's tax program.

"Specifically there are two areas of taxation," he said, "which are in need of revision--personal income and property."

In the area of water legislation, Quimby said this has been one of his major interests during his six years as a legislator.

"While there are many needs for water development in my county," Quimby said, "there is the overall problem of water as it relates to the State Water Project as well as to water recreation activities."

Quimby was a prime mover of legislation last year which added emergency funds to the State Water Project to keep the multi-billion dollar program on schedule.

GETTING THE JUMP ON SPRING -- Helicopter spreads part of 5,000 pounds of grass seed and wild flower mix over 300 acres in the East Bay area of 2,100-acre Canyon Lake, \$45 million recreational community southeast of Corona. Grass will blanket the area within two weeks and ground cover -- California poppies and lupine -- should spread a colorful carpet by next February. Special sling under craft spreads 500 pounds of seed in minutes. Six miles of lake's water front slopes are already green with new grass and plantings.

New Art Exhibits By Chaffey Association

Paintings of members of the Chaffey Community Art Association are hung at various locations, including offices, banks and public buildings in the Chaffey area, in Association sponsored exhibits.

Artist-member Carol Shelton is showing 12 of her oil paintings at the Bank of America, 4th and Mountain, Ontario.

Mrs. Shelton received her M.A. at the Claremont Graduate school, where she studied with three leading southern California artists: Jean Ames, Phil Dike and Allan Blizzard. The exhibit reflects an excellent art background and will be on display through February and March at its present location.

Kenneth Lovgren has hung three of his abstract oils in the First National bank at E and Euclid, Ontario. Also in Ontario at the Kaiser Permanente Foundation, 1025 W. 1st., Frances Ayres is exhibiting 10 oils; in the offices of the Family Counseling Center at C and Euclid, there is a group exhibit by artists Kathryn Arnett, Myrtle Hubble, Nancy Gardner, Ruth Hansen, Silvia Svoboda, Thelma Walt and Harriet White.

Another group showing, representing Kathryn Arnett, Arthur Brown, Myrtle Hubble, Edgar Lore and Thelma Walt may be seen at the State Employment Office, Ontario.

In the Jury Assembly room, 6th and Mountain, Ontario, the Lawyers' Wives are presenting their first exhibit by Art Association members, Kathryn Arnett, Betty Miller and Harriet White, with 15 oils, water colors and collages.

Arthur Moog's unusual and interesting paintings are on display at Montclair City Hall through March.

In Upland, the Art Association hangs exhibits at the First National bank, 2nd and 9th streets, where Myrtle Hubble is showing colorful collages and oils; at Maroney's law office, with three of Florence Rundle's oils and at the

two convalescent hospitals.

In the corridors of the Arlington are paintings by Arthur Brown, Anita Baier, Carol Elton and Clara Henry; at the Upland Convalescent hospital, 15 water colors by Helen Thompson will be on display through February and March.

The Alta Loma-Cucamonga library has three oils by Dee Baron; in Claremont, the association is represented by 4 oils by Florence Rundle hanging at the Danish Kitchen on Foothill at Mills.

Membership in the Chaffey Community Art Association is open to anyone interested in arts and crafts as well as to those actively engaged in production of various art forms. For information write P.O. Box 1003, Ontario.

PFC Thos. Salas Marches In Nixon Parade

UPLAND - Army Private First Class Thomas J. Salas, 20, son of Mr. and Mrs. Manuel Salas, 689 Moonstone, Upland, marched in the Inaugural Parade for President Richard M. Nixon in Washington, D.C., January 20.

As a member of the 3rd Infantry (Old Guard) from Ft. Myer, Va., he marched in the lead contingent during the parade.

Established in 1784 and America's oldest Infantry command, the Old Guard has served since 1946 as the nation's formal ceremonial unit.

Some of the regular duties performed by the 3rd Infantry include service as personal escort for the President and Vice-President of the United States and guarding the Tomb of the Unknown Soldier at Arlington National Cemetery.

SMOG STOPPER - Welder at Reliance Steel & Aluminum Co.'s \$3 million Supracote coil coating plant at Cucamonga works on installation of air pollution control system that converts industrial fumes into clean, smog-free air. Combustion chamber-afterburner (behind stack) does two jobs; it generates gas-fired heat for ovens and consumes fumes. Clean air moves to chimney via porthole to be released out-of-doors. Custom-designed system has nine units identical to this.

West End Democrats Help Flood Victims

In an emergency drive over a 24 hour period, the West End Democrats collected more than 500 lbs. of canned foods and clothing and delivered them to Sweeten Hall in Cucamonga for use by the victims of last week's flood. Club members and friends checked their pantries for extra cans of stew, soup, beans, etc. "It was the most successful drive we've had in years" said Club Pres. Diane Carithers. "But this tragedy has brought out the neighborliness between our related communities."

While the initial drive is now over, those wishing to contribute clothing, furniture, or temporary housing should contact Mrs. Mae Stover at 985-5318. "Issues of the 70's" will be the theme of the Southern California Democratic Conference being held at Roger Young Auditorium, Feb. 7 and 8 in Los Angeles. Senator Ed-

mund Muskie will be the honored speaker Friday night, Feb. 7th and Mr. Daniel Walker, Chairman of the Study Report Team on the Chicago riots to the National Committee on Violence will be the main speaker on Saturday. There will also be panel discussions on the current California college riots and other social issues that will be pressing our society in the next ten years. Anyone wishing to attend the Conference may get the information on registration and transportation by calling 985-5318 or 982-1635 after 7 p.m.

The next meeting of the West End Democrats will be Monday evening, Feb. 10th at 7:30 p.m. at 458 North Euclid ave., Upland, the headquarters. The speaker for the evening will be an authority on the current school bond issue who will present the issue involved and discuss the pros and cons of the entire program.

Sen. Coombs Introduces Three Bills On Construction Bidding

Senator William E. Coombs (R-Rialto) last week introduced two measures affecting the construction industry. Senate Bill 85, relating to subcontractors, was introduced to save tax dollars, according to the Senator. "One way to save tax dollars is to save on the cost of public construction contracts," the Senator said. "One way to save on the cost of public works contracts is to encourage competitive bidding. Several years ago, to encourage competitive bidding, the legislature passed a law requiring general contractors to list their sub-contractors to avoid the practices of 'bid peddling' and 'bid chiseling'."

The other bill, Senate Bill 88, deals with arbitration in public contracts. Senator Coombs explained that under present practices, when a public works contractor is required to do work outside the scope of his contract, he makes a claim for payment. "Many of these claims are denied and the contractor is forced into long, costly claims procedures which usually take many months and often several years to resolve," Coombs said. The Senator pointed out that hearings last fall in San Diego brought out that most experienced public works contractors

merely increase their bids by allowing for such contingencies. "The general feeling in the construction industry," Senator Coombs continued, "is that public works would cost less if a fair and speedy claims procedure were developed. Senate Bill 86 is designed to provide such procedure through arbitration."

COMPLETES TRAINING

-- Pam Vestal, a 1968 graduate of Upland high school, recently graduated as a dental assistant from the Los Angeles College of Medical and Dental Assistants, 1571 North E Street, San Bernardino. In her senior year at high school she served as a nurse's assistant for Upland's school nurse, Shirley Cooper, RN.

DEEP IN MUD -- These mailboxes mutely testify to the depth of the mud left by Cucamonga wash after it flooded through the tract of homes on Calle Vejar in Cucamonga.

A WASH -- A flood of water crashed across this property on San Bernardino road just south of what was the Cucamonga wash. The area is north of Foothill boulevard. The area is graphic evidence of what water in a hurry can do.

IT SAVED A HOME -- This fresh produce building on Foothill boulevard, across from the Kapu Kai restaurant, was the main reason the home of Mr. and Mrs. Peter Morrow was saved. The home is directly in back. The building diverted flood water around both structures.

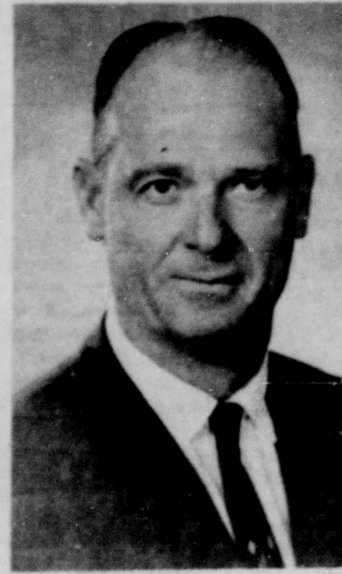

Upland's Wm. Walk Due To Head Rotary Int'l.

"Coming as I did from a small town (Upland), the opportunity to serve as President of Rotary International, overwhelms and awes me, but I am looking forward to the challenge the job presents."

This is the reaction of long time Upland resident, William Walk Jr., who was nominated last week to head the 700,000 members of Rotary International. The organization has clubs located in every country of the world except those behind the iron curtain.

"It is such a large organization and as you know, only one person from a career group is chosen to represent his particular field. The man chosen must be a leader in his profession, so I will be dealing with leaders not only from my own country, but from all over the world. The thought of this fills me with excitement and humility," Walk said.

Historically a nomination is tantamount to being elected. He was nominated by a committee consisting of Rotarians from Canada, Denmark, England, Ja-

William Walk Jr.

pan, Mexico, South Africa and the United States. His term of office is from July 1970 to July 1971.

Rotary International nominates its head officer 18 months in advance, Walk said, so the nominee can observe other presidents and orient himself to the many duties of the office.

Walk, a partner in the Ontario law firm of Walk, Etchason, Davidson and Liesch, has been a Rotarian since 1948, and is a member and past president of the Rotary Club of Ontario. He served in the following posts in Rotary International: first vice president in 1967, director in 1966-67, district governor in 1957 and chairman of the constitution and by-laws committee in 1965. Last year, he was chairman of the organization's convention in Mexico City.

IT'S INTERNATIONAL

The nominee stressed the international factor in Rotary. "It was one of the first organizations to go international in scope."

His plans as president include a focus on the international theme (Continued below)

especially as it concerns the younger generation.

He expects to expand on the program of "Goodwill Ambassadors" achieved by helping students all over the world earn master and doctorate degrees in countries other than their own.

STUDENT EXCHANGE

For instance, a United States student would go to Japan to earn a higher degree, the only prerequisite being that the student know the Japanese language and be a "goodwill ambassador" in that country while attending school, to get to know the people on a personal basis.

Walk hopes to see the

program expanded to include undergraduates.

The second youth program is the "team" approach, whereby a team of qualified young scientists, farmers, mechanics, etc. would go to an underdeveloped country for a stated time to help their counterparts learn U. S. technology, as well as knowing the "people to people" contact.

These programs are financed entirely by Rotary International without taxpayers money or governmental aid. The cost is two and a half million dollars.

MUCH TRAVEL

Walk will also approach

his job with an eye to administrative sharing among his three vice presidents, especially in the area of travel, so that he may continue his law practice, and home and community commitments.

The nominee is a graduate of USC, director of the First National Bank and Trust Company, active in the State Bar Association and the San Bernardino County Bar Association where he served on the board of directors.

He is a member of the American Bar Association, the National Trial Lawyers Association of California.

He was one of the founders of the San Bernardino-Riverside County Blood bank and now serves on the advisory board of San Antonio Community hospital. He served as president of the Ontario-Montclair School District for 12 years. He is a past president of the Western San Bernardino County Bar Association.

Walk and his wife, Louise, live at 2500 Sierra dr., Upland. Their daughter, Barbara, is a high school teacher, and their son, William E. Walk III, is a pre-medical student at the University of Redlands.

Sister City Sees Slides Make Plans For Fiesta

Colored slides of "Caravan to Caborca," and other scenes in Caborca formed the highlight of the Sister City meeting held last week.

Mr. and Mrs. Willard Maust, who were part of the caravan which drove to Caborca Thanksgiving weekend, showed their slides and relates their experiences which they termed as most "enjoyable."

Zella Stone, chairman of the Sister City group, told the members the Downtown Merchants are planning a Fiesta on the downtown concourse Feb. 13, 14 and 15 to coincide with the dedication of the new library and fire headquarters.

The Sister City members agreed to help with festivities and Earl Nelson was appointed chairman. Serving with him are Frank Ayala, Jerry Leggett, Harvey Stone, and Tom Lucero.

Another committee, headed by Mrs. Opal Calloway, will work on a display of Sister City items and photos to be placed in the library at the time of the dedication. Assisting her will be Mrs. Douglas Black, Mrs. John Nicholson, Mrs. Louise Franke, librarian and Mrs. Stone.

A delegation from Caborca is expected at the time of the dedication, including Dr. Carlos Valencia Ocano, the mayor, and Mrs. Valencia, and other city officials. Dr. Valencia is expected to take part in the dedicatory ceremonies.

In addition, two volunteer firemen from the City of Caborca will be guests of the Upland Fire Department February 17 through 22, when one hundred firemen from Mexico will be guests of the various cities in the Citrus Belt Division of the California League of Cities during a Fire Training Seminar sponsored by the various fire departments in these cities.

Jerry Leggett reported he was unable to interview school officials while in Caborca due to illnesses, but has extended a special invitation to Senorita Anita Mendez, who represents educational interest on the Caborca City Council, to come to Upland in February, in hopes that plans for "Operation Understanding" may be furthered through an exchange of students.

Other action taken at the meeting was the final adoption of the By-laws which will govern the Upland Town Affiliation Association.

The group also voted to conduct an election of officers and directors at the next meeting, with all members present acting as a Nominating Committee.

The meeting will take place on Feb. 11 at 7:30 p.m. in the City Hall. The date was changed from the usual third Tuesday to enable the group to meet prior to the visit of the Caborca delegation and the Fiesta.

'Rice Painting' Intrigues Students And Instructors

Two senior students of Alta Loma High, Susan Reed and Jeanne Hoover, spent eight days with Miss Wall's fifth grade class at Carnelian School teaching a special art technique, rice painting.

This was a special service project the girls originated, without credit, to help youngsters have a creative experience with an art technique not particularly common in schools.

"Rice painting" is similar to mosaic art and students get a chance to express an idea by drawing a design, outlining it with black cord, and glue-

ing multi-colored dyed rice in that design. The final process was spraying their masterpiece with plastic to preserve and add gloss, and adhering a hanger. Their wall plaques were given to the parents as a gift.

If you were to ask Bidie, Debbie, or Kathy, they would say they can hardly wait till Miss Reed and Miss Hoover return in April to share another creative experience. Jeanne Hoover and Susan Reed, as future teachers, enjoyed this experience and "feel it is most satisfying to see young people create and become excited with their help."

THEY LIKE KIDS -- So Jeanne Hoover, left, and Susan Reed worked with a fifth grade class at Carnelian school teaching "rice painting." Students and the two instructors both enjoyed the experience.

NOTICE INVITING BIDS
RECEIPT OF PROPOSALS: Sealed proposals will be received at the office of the Purchasing Agent, located at the City Hall of Upland, California, until 2:00 P.M., on February 13, 1969, for rehabilitation of electrical equipment at Well No. 9. The site of the work is located on Campus Avenue at the north side of the San Bernardino Freeway, Upland, California.

DESCRIPTION OF WORK: The work includes removal of the existing main circuit breaker, the size 6 starter, the size 5 starter and all disconnect switches, relays, a 480/120-volt transformer and miscellaneous wiring and furnishing and installation of a new main circuit breaker, a new size 6 starter and a new size 5 starter in new motor control sections complete with all accessories as shown.

COMPLETION OF WORK:

All work must be completed within ninety (90) calendar days after date of execution of the contract by the Owner. **OPENING OF PROPOSALS:** The proposals will be publicly opened and read at 2:00 P.M., on February 13, 1969, at the City Council Chambers in the City Hall in Upland, California.

OBTAINING CONTRACT DOCUMENTS: The specifications are entitled "SPECIFICATION NO. 1006 FOR REHABILITATION OF ELECTRICAL EQUIPMENT AT WELL NO. 9." Plans and specifications and all contract documents may be obtained at the office designated for receipt of proposals, or at the office of James M. Montgomery, Consulting Engineers, Inc., 555 East Walnut Street, Pasadena, California, upon payment of a deposit of \$10.00 for each set of specifications and accompanying drawings. Said deposit will be refunded upon return of the specifications and drawings in good condition within 30 days after the proposals are opened. A full size print of the original contract drawing is bound in the specifications.

PROPOSAL GUARANTEE: Each proposal shall be accompanied by a certified or cashier's check or bid bond in the amount of 10 per cent of the total bid price payable to the City of Upland as a guarantee that the bidder, if his proposal is accepted, will promptly execute the contract, secure payment of workmen's compensation insurance, and furnish a satisfactory faithful performance bond in the amount of 100 per cent of the total bid price and a labor and material bond in the amount of 100 per cent of the total bid price.

WAGE RATES: As required by the California Labor Code, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate for holiday and overtime work, in the locality in which the work is to be performed, for each craft or type of workman needed to execute the work contemplated under the contract, as published in the Southern California Master Labor Agreements, shall be paid to all workmen employed on said work by the Contractor or by any subcontractor performing any part of said work.

OWNER'S RIGHTS RESERVED: The City of Upland reserves the right to reject any or all bids, to waive any informality in a bid, and to make awards in the interests of the City of Upland.

By order of The Council of the City of Upland,
I. C. Harold Terry,
Assistant Purchasing Agent

Upland News No. 3397
Publish January 29, February 5, 1969

NOTICE INVITING BIDS

For City of Upland Gas Tax Projects No. 217 and No. 218, improvements at the intersections of Campus Avenue and Arrow Highway, and Alta Avenue and the southerly Foothill Boulevard Service Road, including: the removal of existing pavement and curb returns, the construction of P.C.C. curb returns, sidewalk and cross gutters, asphalt concrete paving, and appurtenant work.

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 3:00 P.M. on February 13, 1969, at which time they will be taken to the Council Chambers and publicly opened by the City Manager, for Gas Tax Projects No. 217 and No. 218, improvements at the intersections of Campus Avenue and Arrow Highway, and Alta Avenue and the southerly Foothill Boulevard Service Road, in accordance with Construction Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer of said City, to which Plans, Specifications, Standards and Documents bidders are referred to for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California, upon payment of One Dollar (\$1.00) for each set, which amount will not be refundable. Standard Specifications for Public Works Improvements books may be purchased at the office of the City Engineer at a charge of Four Dollars and Twenty-five Cents (\$4.25) for each book.

Each proposal must be accompanied by cash, a certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of work-

man needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bids - Gas Tax Projects No. 217 and No. 218" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days after the signing of the contract and shall be completed within 60 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

Sheriff's Crime Report Released

Sheriff Frank Bland, San Bernardino County Sheriff's office, released the following Crime Statistical Report for his department's operation during the calendar year of 1968.

The total of felony crimes during 1968 was 7,764, which was 928 more than that reported in 1967, an increase of 13%.

Misdemeanor crimes reported in 1968 were 1,856 more than reported in 1967, a 4% increase. Of the 40,227 misdemeanors reported, 3,563 were unfounded; and 62% of the remaining 36,664 cases were cleared by arrest or investigation. 59% of the actual felony cases were also cleared by arrest or investigation.

The value of stolen property reported was \$2,117,272 of which the Sheriff's office recovered \$1,117,716, a 52% recovery.

Money collected as bail on warrants and returned to the courts amounted to \$1,198,040 as compared to \$928,460 in 1967.

Attempted suicides rose from 299 in 1967 to 310 in 1968. A total of 80 suicides were reported in 1968. In 1967, 576 ac-

cidental injury and accidental death cases were reported; and in 1968 this figure rose to 618.

Some 15,246 prisoners were booked in the County jail (of which 1,184 were females), a 10% decrease from 1967 figures.

Of the 864 cases reported to the Sheriff's Check-Forgery Detail only 6 were unfounded. Of the remaining 858 cases, 71% were cleared, and \$27,724 in restitution was received by victims in these cases.

A further breakdown of the total crimes follows with percentage of increase over 1967 following the actual number reported:

Crimes against persons, 765, 4%; Narcotics 871, 3%; Residential burglaries 1,085, same; Theft from locked vehicles 433, 103%; Grand theft 481, 11%; Grand theft auto 584, 7%; Arson 120, 90%; Embezzlement 60, 50%.

In the performance of their duties, Sheriff's personnel drove 4,253,172 miles, an increase of 148,472 miles over the 1967 mileage.

Sheriff's personnel

worked more than 115,000 hours overtime and Sheriff's Reserve deputies volunteered over 49,700 hours in assisting the Sheriff's Department.

A total of 2,357 children and adults were reported missing in 1968, an increase of 25%. 92% of these missing persons were located.

Fontana Art Group Sets Gift Sale For Feb. 7-8

Plans for the pre-Valentine's Day sale were announced today by the Fontana Art Association. Please your valentine with a one-of-a-kind gift from a large selection of original works by local artists. Featured will be paintings, ceramics, pottery, and objects of art,

all priced at \$15 or less. The sale will be conducted at the Fontana Art Gallery, 17287 Foothill blvd., Fontana Square, between the hours of 9 a.m. and 5 p.m. on Friday and Saturday, Feb. 7th and 8th 1969, stated the President, Mr. Robert H. Schuler.

KEYHOLE

SACRAMENTO — One of the first tasks facing the new Legislature will be to unravel the complexities brought on by passage of Proposition 1A last November such as funding the \$70 refund due homeowners and straightening out the question of which renters will benefit from the measure, capital observers say.

TOP ATHLETES - Given awards for being outstanding in their athletic endeavors were these five boys from Alta Loma High School. Chosen tops in water polo; Rich Foster, most valuable lineman;

Jessey Lobach, most valuable Brave, Tom Fowlkes, most valuable back and Monge Isidro, outstanding in the cross country team.

Freeway Safety To Be Improved In West End

Traffic safety will be improved on Interstate Routes 10 and 15, and on State Routes 60, 91, 111 and 395 in San Bernardino and Riverside Counties as the result of a California Highway Commission action taken last Wednesday.

The Commission allocated \$100,000 to install guard railing at highway bridge approaches, piers and abutments to lessen the severity of collisions involving any out-of-control vehicles which leave the traffic lanes at these locations.

James A. Moe, State Director of Public Works, said the work will pertain to 16 structures on Interstate 10 Freeway between east of Ontario in

San Bernardino County and west of Beaumont in Riverside County.

There will be four structures affected on the Interstate 15 Freeway between Foothill boulevard (Route 66) in San Bernardino and Devore; one at Victorville, and four through Barstow.

The Route 60 work involves three locations east of Ontario and one west of Riverside, while the one bridge on the Riverside Freeway (Route 91) affected is east of Corona, Riverside County.

Moe said that two bridges will be improved with guard railing on Route 111 at Palm Springs, and five bridges improved on Route 395 southeast of Perris, both in Riverside County.

Camera Club To See Color Slides, Feb. 7

ONTARIO -- A color slide show with taped commentary entitled "Through the Seasons With Agfachrome" will be presented at the meeting of members of Euclid Avenue Camera Club on Fri., Feb. 7 at 7:30 p.m. in the chemistry room of Chaffey High School. Visitors will be welcomed, according to William Gaffney of Ontario, program chairman.

A field trip to Balboa to take pictures of migrating whales from a tour boat, is planned for Sunday, Feb. 9. Club members are asked to place their boat reservations by Friday with W. A. Dean of Ontario, field trip chairman.

'Scene And Herd' In The West End

WE'RE UNIMPRESSED

The appearance of the politicians after the damage has been done, somehow leaves us cold.

We had quite a delegation descend on Upland and Cucamonga to view the damage and "Tsk, tsk ... it's too bad."

Nearly all of them were in office when it happened before -- and it will probably happen again unless somebody gets with it.

UNUSUAL CANDIDATE

Baxter Ward, one of our favorite TV news dispensers, spoke to the Montclair Chamber this past week.

Ward says he doesn't want any contributions for his campaign, because it would put him under obligation to the donor.

He is one of the many candidates for Mayor in Los Angeles.

Known as one of the hardest working newsmen in the business, he is fully cognizant of the present sickness which dominates the city hall of the largest city in western U.S.

MORE CANDIDATES

For the past several years virtually all school board elections go by default. Seldom do we see a school board race any more.

In many districts, the incumbents decide who they want on the board in case someone steps out -- or the choice is left to the administration.

It is not a healthy situation particularly when the biggest part of the tax dollar is going to our schools.

Those races, while non-partisan, should be as spirited and debated as any we hold.

LET THEM KNOW

In a few short weeks, Upland will be voting again on its \$650,000 park bond issue which failed to make the grade in November.

The issue doesn't involve an increase in taxes.

But it will go down to defeat again, unless the Task Force delegated to

tell the voters how and where it will be spent gets to work.

"Pigs in a Poke" presentations are going to find the going rougher in the future -- as school and city officials are beginning to learn.

ZONING IMPORTANT

As our colleague in neighboring Claremont, Marty Weinberger, has pointed out -- haphazard zoning can be fatal to a city.

Witness the situation at the new Montclair Plaza and the property across Central on the east side -- much of the latter could have been prevented.

And a tip of the hat is due to those members of the Planning Commission in all cities who seldom receive any reward for their long hours of study. Yet, they come in for some pretty strong language from developers, and those who would put a service station on every corner, and others.

ONE WAY STREETS

Have you ever tried to cross Euclid in Upland from Seventh street about 5:15 p.m. -- don't do it.

We still fail to understand why the Upland and Montclair city governments don't get around to one-way streets going north and south.

Euclid in Upland and Central in Montclair are overloaded, but some of the traffic could be drained away by one way north and south streets.

Montclair happens to be in a better position with its traffic control system which was installed this past summer.

REV. CLARENCE JOSEPH RIVERS, Ohio Negro priest-composer at Stanford for concert and lecture -- "Many people relate any kind of pleasure with sin, but that is not Bible theology. The Bible wasn't afraid of sensuality."

EDNA M. JOHNSTON, Tiburon -- "We have vast areas which still need improvement for we are a fairly new nation. How great it would be if the anarchists worked toward building instead of destroying."

Decorative Plant
A four or five-foot green plant in a ten or 12-inch clay pot, complete with matching saucer, is a decorative problem solver for awkward living or dining room corners. Of the popular and long-lasting greens, choose a schefflera, a bark-supported philodendron or a palm plant.

Clean Brushes
When working with interior or exterior latex paints, it's a good idea to wash your brush in clear water occasionally. This will prevent quick-drying latex paint from building up and hardening at the base of the bristles. When you have finished work for the day, thoroughly wash out all brushes so they will be clean.

Bill Barty, Part In Irma La Douce

Everyone has heard of the fifth dimension but there is a new dimension which goes by the name of Billy Barty. Adding this new dimension of stage comedy Billy Barty will appear in the San Bernardino Civic Light Opera production "Irma La Douce," which is set to open in the California Theatre February 7 and continue nightly except Sunday and Monday through February 15.

Starring Ruta Lee as "Irma La Douce" the gay and bouncing musical hit from Paris is the story of a sweet-tart and her friends. Ron Husmann stars as her poor but ardent sweetheart. Barty will play Bob Le Hotu the philosophic proprietor of the Montmartre bistro where the action occurs. He also plays several other completely hilarious characters.

Diminutive in size three foot nine inches tall Billy Barty is a "giant" in talents which include singing, dancing, writing music and special material, playing drums and trumpet, acting and doing clever impersonations.

Known to millions Billy has appeared for Civic Light Opera in the musicals "Li'l Abner" and "Peter Pan." Until recently he had his own

popular children's show "Billy Barty's Big Show."

During the next ten years, Billy Barty made some 120 pictures, including parts as Mickey Rooney's kid brother in the Mickey McGuire comedies. In 1932, Billy and his two sisters, Evelyn and Delores, started a vaudeville act. Billy eventually became a hit as a single on the Keith-Orpheum circuit. Then World War II temporarily ended Billy's show business career.

Billy Barty, veteran entertainer of the vaudeville stage, supper clubs, movies and television was born in Millboro, Pennsylvania and was brought to California for his health in 1928. He was then 21 inches tall. One day his father, while carrying the little boy down a Hollywood street, stopped to watch the filming of a comedy. He put Billy down and told him to do a headspin. The director saw the performance, and he immediately launched Billy in his show business career.

After being graduated from high school, Billy entered Los Angeles City College in 1943, where he studied journalism and became Sports Editor and Athletic Public Relations Director. In 1945, des-

pite his 3 foot-9 inch frame and weighing only 85 pounds, he became a football player and was awarded a letter on the college's third team. He also made his letter in basketball at Los Angeles State College.

Barty later returned to his first love--entertaining--and was in New York for two years. He appeared recently with such top personalities as Bob Hope, Donald O'Connor, Smothers Brothers, Red Skelton and for the Rowan and Martin Laugh-In. Barty was featured with the famous Spike Jones show for almost six years.

Barty founded "The Little People of America" in 1957, an organization open to all midgets and dwarfs.

Tickets are available at the Civic Light Opera office, 2079 North E street, by calling Turner 2-2545, at Harris' in San Bernardino and Riverside or from one of the following agencies: Valley Music Center, Hemet; Santa Fe Federal Savings and Loan, Palm Springs; Victor's Music and Camera, Barstow; Desert Valley Camera and Record Shop, Victorville; Chamber of Commerce in Fontana and Ontario.

DISH GARDEN CONTESTANT -- Mark Slobom, a sixth grade student at Kimbark school in Devore, is getting a head start on his dish entry in the Flower and Garden Show at the National Orange Show, March 6-16. Mark's entry blank will be due Feb. 15. He is the son of Mr. and Mrs. Wilbert G. Slobom, 808 Woodlawn ave., Devore.

An Ice Cream Favorite
Peach melba was invented by a French chef in London to honor an Australian. In spite of the involved international heritage, the dessert is simple. Top scoops of vanilla ice cream with peach halves; add Melba Sauce.

Melba Sauce
2 teaspoons corn starch
1 tablespoon water
1/2 cup light corn syrup
1/2 cup currant jelly
1 cup fresh or 1 (10-ounce) package frozen raspberries or strawberries, thawed
Mix corn starch and water in small saucepan. Stir in light corn syrup, jelly and raspberries or strawberries. Cook over medium heat, stirring constantly until mixture comes to a full boil and boils 1 to 2 minutes. Remove from heat. Strain. Cool slightly. Makes about 1 1/2 cups.

\$407,375 To Be Divided Among Kaiser Employees

A cash payment of \$407,375 will be shared Thursday by participants in the Kaiser Steel-United Steelworkers Long Range Sharing Plan at the company's Fontana, California, steel manufacturing division, it was announced today by officials of the company and the USWA.

The cash payment for December will be distributed to 5,808 employees and is equivalent to \$34 per hour worked.

Also during December, 80 Kaiser Steel employees worked 8,188 man-hours in the company's Employment Re-

serve, and 18 employees received a Displacement Differential. The Employment Reserve and the Displacement Differential are employment security provisions of the Long Range Sharing Plan which provide protection against job and income loss as a result of technological or work methods improvements.

The Long Range Sharing Plan - A cost-savings-sharing plan, rather than a profit-sharing plan -- measures productivity at the Fontana steel manufacturing division and shares the gains among the employees and the company.

Residents Warned To Keep Children Away From Streams

Dr. Cosand, San Bernardino County Health Officer and the San Bernardino District Office of the State Department of Public Health have issued a warning that water flowing in MANY flood control channels, streams and rivulets in San Bernardino County, including the Santa Ana River may be contaminated. All persons are advised to keep their children away from these areas and out of contact with the water. This is not necessarily true of all streams but the above warning should be heeded as a precaution.

All-States Fund Raiser Scheduled

The All States Picnic Inc. of Ontario will sponsor a spaghetti supper for fund raising purposes at the Vina Danks Elementary School, Vine and J Streets, Ontario on February 7, from 6-8 P.M. Tickets may be purchased at the door or a call to 986-8283 will be received for presale.

On Saturday queens and princesses were registered and selected for representation in their native state area. However, there are a few states for which queens and/or princesses are not selected. Anyone interested may call 986-8283 and leave the name and telephone number. The queens reception at which all queens and princesses will be introduced and receive preliminary information of upcoming events will be held at Vina Danks Elementary School on February 14.

Pro Football Ramblers Move To Inland Empire

A definitive home for the pro football Ramblers for the 1969 football season was announced today. Rambler Chairman of the Board Charles Schlegel, a Santa Ana attorney, stated that the San Bernardino, Riverside Counties would become the new home - site. The move was concluded when an enthusiastic group of civic leaders from the Inland Empire pledged their full support for a Ramblers season ticket goal of 5,000. "This is a real plus for the Inland - Empire," stated Stu Schweit, chairman of the season ticket committee, "the Ramblers are a championship team with two straight Pacific Division titles to their credit. Continental League football should be a real draw here."

Schweit, who with Don Paul owns the Rams Horn restaurant in San Bernardino, stated that the season ticket effort will be jointly directed by Terry Ireland, owner of the Players Restaurant, and Pete Collins of Inland Center Dodge, and will kick off immediately following the national Continental League Meeting in Midland, Michigan, on January 31, 1969.

Vic Saman, executive Vice President of the Ramblers will attend the national meeting which will establish a 1969 schedule and set policy for the coming year. "Orange County is a great sports area," said Saman, "but with the support we've already seen in the Inland-Empire it appears certain that we'll draw better crowds and receive greater support. The Continental League is a strong 16 team league and we want to draw as well at home as we did on the road our first two seasons. From here on in, we belong to San Bernardino."

Schlegel, who has served as president of the Continental League this past year, expressed regret at leaving Orange County but stated that relocation has been a necessary part of professional growth in all major sports and that the current Rambler move was justified as a good move for the league as well as a necessary one for the team. "With the advent of strong franchises such as Hawaii, and the proposed television contract for the league, it was essential to find a solid base of opera-

tion. The Inland-Empire civic leaders convinced us that San Bernardino was the place. Mr. Saman and I fully expect to see the championship game played at the Orange Show Stadium next year."

"Our temporary offices will be at 666 South E. St., San Bernardino," stated Saman, and we're taking season ticket applications now. We already received one order of 50 tickets from Dr. Jerry Auerbach, Dr. Tory Flower, Dr. Jack Bankler, and Dr. Tony Marra. We're aiming at an immediate goal of 2,500 tickets with a final figure of 5,000."

The Ramblers have had two successful seasons in Orange County under Coach Homer Beatty. The team ended the 1968 season only a touchdown away from winning it all in the national championship game against Orlando Florida. With players from the Los Angeles Rams and the New Orleans Saints the Ramblers proved to be the most popular team on the road in the league but had attendance problems at home. The move to San Bernardino is geared to resolve that disparity.

Upland Almost Pulls Upset But Falters In Final Period

UPLAND-A surprisingly well balanced Upland offense nearly upset Ganesha Friday night, but the Giants pulled it out to win 85-75.

A trio of Ganesha guards scored 66 of the 'Giants' 85 points in the high scoring battle at the Upland gym. The three guards were Ron Carr, Wilbur Gatson and Gary Fisher with 27, 20, and 19 points, respectively. It was Carr's relief performance in the final period that gave Ganesha the game as he hit 7-of-8 field goal attempts and tossed in four free throws for 18 points. Fisher led the Giants off the boards, as he picked off 14 rebounds.

The Highlander forward Kirk Riehl played another great game for Upland as he tied for top scoring honors with Carr

at 27 points and also led his team with 10 rebounds. Guard Louis Engle did some excellent passing as playmaker and also fired in 16 points. Guard Jeff Trobaugh dropped in 10 points while forward Keith Oldenkamp came off the bench to put in 8 points.

Ganesha pulled to a 21-18 lead in the first quarter behind the shooting of Fisher and Gatson. Center Mike Phillips played a great first quarter for Upland as he blocked four consecutive shots before getting into foul trouble. Engle led all scorers in that period with 11 points.

Both teams scored 22 points in the second quarter, with Oldenkamp shooting and rebounding well under the basket. Strong rebounding and

shooting by Riehl and also Trobaugh drove the Upland to a one-point lead at the start of the final quarter, 57-56.

Then Carr and the rest of the Ganesha squad went on a rampage, hitting 11 of 13 field goal attempts to outscore Upland, 29-18, in the last quarter.

Foothill LL Registration Starts Feb. 17

Sign-ups for the 1969 season of the Upland Foothill Little League will be held on Monday, February 10 and on Monday, February 17, from 7 p.m. until 9 p.m. at the Pioneer Junior high school multi-purpose room. The school is located at 245 W. 18th st., Upland.

President Erwin Schneekloth stresses the fact that birth certificates must be shown for each boy at the time of the sign-ups in order to be eligible. Boys must also be accompanied by either parent or both. Try-outs will be announced at a later date, according to player agent, Stan Evers.

The monthly meeting of the F.L.L. board has been changed to the third Wednesday of each month, rather than the second, at 7:30 p.m. in the Security First National Bank on Foothill Blvd., and Euclid ave. The next meeting is scheduled for Feb. 19.

Upland National Organizational Meeting Tonight

UPLAND - A general organizational meeting of the Upland National Little League will be held Wednesday night at 7:30 at the Upland Elementary school auditorium.

Parents, especially those who have boys returning, are urged to attend. New parents are reminded that in order to be eligible, their boy must be between 9-12 years old and living within Euclid ave. to the east city limits and from 19th st. to the south city limits.

All boys who are nine before Aug. 1, 1969 and not 13 before Aug. 1, 1969, are eligible. Further information may be obtained from Chuck Hale (982-0980) or Al Canestro (982-4070).

There is an urgent need for managers, coaches, umpires, board members and general work committees.

Chaffey Hits Century Mark Against Orange Coast, 100-87

ALTA LOMA-Chaffey College was back on the "Beam" here Tuesday night, conquering defending champion Orange Coast, 100-87.

Veteran Bob Beam of Ontario zeroed in on 32 points as Coach Barney Newlee's Panthers hit the century mark for the first time this season when reserve Wayne Lieser laid up a relay from Chino rookie Rick Thomas.

They achieved the feat at a sizzling 52.7 clip. Chaffey remains three games back of Fullerton, which rolled to its eighth straight victory, and the Hornets are becoming harder to catch in the Eastern Conference basketball chase.

Chaffey soothed its second half blues in a big way, outscoring the visiting Pirates from Costa Mesa, 53-44, after assuming a 47-43 half-time edge.

Victory couldn't come at a better time. It snapped a two-game losing streak and gave the Panthers at least a semblance of momentum for two rough games on the road this weekend. Beam reached his EC high with a variety of shots from all over the court. His hanging jumper was particularly effective. Beam hit on 11-of-23 field goals and 10-of-14 from the line, but also found time for eight rebounds and three assists.

It was a fine team effort as Fred Hicks (17 points and 15 rebounds), George Glonka (14, 8 re-

bounds and 6 assists), Cesar Garcia (14) and Thomas (10) were also in double figures. In all, Panther reserves totaled 19 points, a seldom used depth maneuver.

After five ties during the first 10 minutes, Chaffey ran up a 14-1 string and was never headed,

although the Bucs closed within two (58-56) before Beam delivered a three-point play.

Pirate ace Phil Jordan canned 17 points in the first half, but three quick fouls and Chaffey's puzzling defense rendered him ineffective after intermission. He finished with 19.

Low Scoring Highlights Montclair-Chino Clash

MONTCLAIR - Chino and Montclair high schools combined to score 103 points here Tuesday afternoon, somewhat of an oddity whenever these two varsity basketball teams meet, and the final point spread showed the Cowboys claiming a 58-45 San Antonio League win over the hosts.

Coach Frank Elder's visitors scorched the nets in the first half, hitting 59 percent of their shots from the floor (16-of-27), to take a 17-8 lead after the first quarter and expanded that to a 14-point margin (36-22) at half-time.

Guard Jack Surina, a 6-foot-1 senior letterman tallied eight of his 17 points in the first half on 4-of-5 attempts from the field to spark Chino. But he had to share game scoring honors with Montclair guard Bill Daniels, who had a hot-shooting hand from the 20-25 foot range, as the 5-foot-6 Cavalier also tanked 17.

Montclair's Gary Turner was the only other player in the game to reach double figures as the 6-foot-4 junior forward hooped 12 points.

Chino took the initial lead (2-0) on a lay-in by Surina and after Montclair tied it on Daniel's 23-footer, the Cowboys led the rest of the way.

Chino opened its biggest lead (21 points) at 45-24 early in the third quarter as inconsistent Montclair had its troubles in both the first and third periods, getting just eight points in each of those eight-minute stanzas.

With the Cowboys making liberal use of their deep bench - nine of their 11 players cracked the scoring column - Montclair closed the gap by outscoring Chino, 15-9, in the final quarter and ended the game with five straight points on a three-point (basket and free throw) play by Bob Winkler and a Tom Phillips lay-in.

Demoralized Braves Pick Themselves Up

BALDWIN PARK--Tim Arner's three point play with 5:56 remaining finally picked up a flat Alta Loma Brave quintet and spurred them on to a 62-52 win over lowly Sierra Vista here Wednesday afternoon.

Before Arner was able to hit the go-ahead points the Braves had struggled with the Dons all the way and just could never seem to make it the expected easy win.

One of the big reasons was guard Bill Gallis, who constantly pressured the Braves into turnovers, picked off nine rebounds and was the game's leading scorer.

But once his brother, Pat, fouled out with four minutes left Sierra Vista was not able to bounce back from a five point 53-48 deficit.

Bill Beckly had an outstanding game for the Braves in every department except free throw shooting. He lead all rebounders with 15 while scoring 15 points and blocking seven shots.

Arner also added 15 points on some fine outside shooting that kept the Braves even for most of the contest until his antics in the final period were enough to pull it out.

The Dons held a two point first quarter lead before trailing 29-27 at the half. In the third quarter Alta Loma moved out to its biggest lead, 42-37, only to see the Dons come storming back to take a one-point lead 45-44 edge, at the end of the quarter.

After it was tied at

46 Arner scored his three point play and then added two more free throws to give AL a five point lead once again. Mike England then hit a 15-foot jumper and Bill Beckley followed with a field goal from inside to pull the Braves away for good.

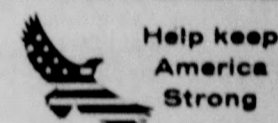

They went into a stall during the last two minutes and hit seven of eight free throws while the Dons failed to score. The Braves rebounding came alive in the fourth period as they outjumped the Dons, 17-5, in what proved to be the difference.

Until that time the Dons held a 31-21 advantage in that department.

Montclair Net Games Changed

The Montclair high school basketball game with Claremont this Friday has been advanced to Thursday at 8 p.m. in the Cavalier gym. Proceeds from the contest will be donated toward the purchase of a new camera for utilization at sporting events and band performances.

Also changed on the local club's basketball schedule is the game with Upland, at Montclair. Starting time will be 8 p.m. vice 3:15 p.m.

Pomona Too Much For Cavalier Quintet

POMONA -- Pomona high school with a 3-5 (won-lost) record doesn't figure to finish much higher than sixth in the current San Antonio league varsity basketball race, yet the Red Devils boast one of the most potent offenses in the "Sally" circuit.

Montclair found that out here Friday night as the Cavaliers routed the locals 81-49, in a game that wasn't close from the opening buzzer.

It took the visiting Cavalier almost five minutes to score their first basket in the game when center Greg Campbell hit a short jumper with 3:11 left in the first quarter, and by then Pomona had built a 12-4 lead.

Pomona put the game on ice in a 4 minute span in the second period when the Red Devils, sparked by 6-foot-8 junior center Mike Muir, reeled off 14 consecutive points to open a 30-point margin, 46-16.

Montclair contributed to its own early downfall as the Cavaliers hooped just 15 per cent of their shots from the floor (5-for-33) during the first half.

Coach Mike Jackman's Cavaliers were also hampered by the fact Campbell (6-foot-5) picked up four personal fouls within late in the first period and then fouled out in the closing minutes of the third stanza.

Pomona was again paced by its three big men up front as 6-foot-5 center John Phillips, with the moves and shots of a young Elvin Hayes, pumped in 23 points. Forwards Gordon Billingsley and Mike Lambert added 15 and 14 respectively, while Muir bucketed 12 on 6-for-6 tries from the field.

Only player to reach double figures for Montclair was forward B. Winkler with 13 points as all the Cavaliers saw considerable playing time.

Montclair LL Registration

The Montclair Central and Eastern Little League will conduct a simultaneous registration from 10 a.m. till 3 p.m. on Feb. 15 (Saturday), at the Montclair High School.

Youngsters from ages 8 to 18 are invited to sign-up. Divisions represented are Little League (8 to 12), Senior (13 to 15) and Big Boy

Boys living on the east side of Monte Vista will sign with the Eastern league and those (8 to 12) living on the west side of Monte Vista will register with the Central league. All who wish to play in the Senior or Big Boy divisions will sign with the Central League.

For further information call Vince Ventry at 626-7770.

Guidance Given Homeowners On Property Tax Relief Filings

County Assessor John H. Bevis today announced procedures for filing claims for the 1968 Homeowner's Property Tax Relief and the 1969 Homeowner's Property Tax Exemption which were authorized by the adoption of Proposition I-A at the general election November 5, 1968.

The property owner must file application with the county assessor between March 1 and April 15, 1969 to receive the benefits under the new law. Application forms for claiming the 1968 property tax relief payment

and the 1969 homeowner's exemption, with detailed instructions, will be mailed prior to March 1, 1969, Bevis said. If you do not receive an application form by March 1, you should call at the assessor's office most convenient for you and file your claim. The refunds will be paid to homeowners who qualify on or about June 15, 1969 by the State Controller.

The 1968 Homeowner's Property Tax Relief provides for a \$70 cash payment to all homeowners who meet the require-

ments of the law. To be eligible, the applicant must have owned and occupied the property as his principal place of residence on March 1, 1968. If owner's dwelling contains more than two living units, and if the owner, or anyone with whom he shared ownership, receives any public assistance grants containing an allowance for property tax, he is not eligible to receive the refund. Persons who receive property tax relief solely under the Senior Citizens Property Tax

Law are not disqualified. Homeowner's Property Tax Relief payment can not be approved if a veteran's exemption was allowed on the home for the year 1968. The veteran's exemption and the homeowner's exemption can not be applied on the same property. A person who qualifies for the veteran's exemption and who owns property other than his principal place of residence may claim his veteran's exemption to such other property, Bevis said.

The new legislation

provides for a homeowner's exemption of \$750 assessed value to be applied to the property owned and occupied as his principal place of residence on March 1, 1969. Bevis urged homeowners to complete the claim and return it to the county assessor's office as soon as possible. "We expect that 225,000 to 250,000 claims will be filed and they must be processed by May 15."

Anyone needing assistance in completing his application or has questions concerning his eligibility should contact the

assessor's office at the Hall of Records building or any district office located throughout the county.

Local Students Make Dean's Honor List

Janice M. Abram and David A. Goldhamer, both of Upland, were among 272 students from the College of Agricultural and Environmental Sciences at the University of California, Davis, to be selected to the dean's honors list for the fall quarter.

Sigma Omega To Meet In Upland

The Sigma Omega Unit of the California State Association of Parliamentarians will meet on Thursday, Feb. 6th, at the Upland Travel Bureau 247 North 2nd ave., Upland, at 7:30 p.m.

Mrs. Floyd Potter of Long Beach, who is a registered parliamentarian, will be the guest speaker. Mrs. Potter is well known in this area as she has conducted many seminars on parliamentary law, and was the instructor and organizer of the local Sigma Omega Unit. She is at present serving as Parliamentarian of the California State

Association of Parliamentarians. Her topic will be on nominations and election procedures. Women interested in hearing Mrs. Potter's timely discussion are welcome to attend the meeting.

Trucks Use Radios

WASHINGTON—There are 93 two-way radio channels available to the trucking industry. The industry has 4,800 base stations and 65,000 mobile units, which provide instant communication between dispatchers and drivers.

Flood Damages Deductible From Tax Report

President Nixon's declaration that certain California counties are a disaster area as a result of the recent rain damage makes special tax benefits available to those who suffered a loss.

The affected counties are Los Angeles, Riverside, San Bernardino, Ventura, Santa Barbara, San Luis Obispo, Fresno, Inyo and Tulare.

F. S. Schmidt, District Director of Internal Revenue for Southern California, said that disaster victims may deduct their casualty losses on their 1968 federal income tax forms instead of waiting until next year. Taxpayers who have already filed 1968 returns may still deduct their losses by filing an amended return on Form 1040-X. Copies of the form and instructions for its use are available at local IRS offices. The deadline for doing this for calendar year returns is July 15, 1969.

Taxpayers who choose to take the casualty loss on their 1968 tax return should attach a signed statement to that effect on the Form 1040, and include the date and place of the damage. Mr. Schmidt advised taxpayers suffering losses to prepare and retain records and information establishing the amount of their losses.

Non-business casualty loss deductions are limited to the amount over \$100 for each casualty.

IRS Publication 547, "Tax Information on Disasters, Casualty Losses and Thefts," describes procedures for claiming casualty losses. For a free copy send a postcard to Internal Revenue Service, Tax Forms, P. O. Box 1711, Los Angeles, California 90053.

Cable Cadets Receive Trophy

Cable Cadet Squadron 25, at a recent awards dinner, was presented a trophy for being the most improved CAP squadron during the past year in the San Gabriel and Pomona Valleys. The award was presented by Lt. Col. Thomas Wicksted, Commander of Group 15, to Capt. Thomas Mayer, Squadron 25's commander.

Captain Mayer, in accepting the award, indicated that the squadron, which is located at Cable Airport in Upland, expects even greater progress during the coming year.

Civic Air Patrol is a volunteer, civilian, auxiliary of the United States Air Force and is open to membership for cadets both male and female from 13 to 18 years of age and to seniors from 18 years of age and up.

To achieve its goals in 1969 Squadron 25's members will perform duties in numerous fields related to aerospace education as well as search and rescue missions. The squadron meets on Tuesday nights from 7-9 p.m. and is always willing to provide information and interviews for prospective members.

CAINE MUTINY AT VCT - Rex Bimmore, Bob Culbertson, Larry Mendez, and Grayson Cook (L to R) enact the final scene from Herman Wouk's 'The Caine Mutiny Court Martial,' being presented by Valley Community Theatre, 887 West 4th street, Pomona, Fridays and Saturdays at 8:30 through January. For reservations, call 622-6954.

Christmas Seal Contributions Used For Anti-rejection Drug

San Bernardino County Christmas Seal Contributions are helping to support an investigation of the effects of a new anti-rejection drug on transplanted lungs, one of six new Christmas Seal research grants announced recently by Alvin Z. Tucker, M.D., President of the Tuberculosis and Health Association of San Bernardino County.

With the new grants, Christmas Seals gave medical research and education a \$144,275 shot in the arm in California during the past year, Dr. Tucker said. Each of the state's 42 local TB associations earmarks a percentage of its annual contributions for a state-wide fund for this purpose, he explained. From this fund, a volunteer committee of scientific experts awards grants and fellowship for medical research, and support of chest disease teaching in California medical schools.

Although the technical aspects of lung transplants are largely resolved, the human body still has not been able to overcome the tissue rejection reaction, and no recipients of lung transplants have survived, Dr. Tucker said. Coupled with the tissue rejection is a decrease in lung volume and increased resistance to air flow in the transplanted lung.

Using a drug known as A.L.G., anti-lymphocyte globulin, the Christmas Seal researcher Dr. Richard Anderson of U.C., Davis, hopes to keep transplanted lungs working long enough and well enough to study fully the changes in pulmonary function.

"We believe that research of this kind will hasten the day when lung transplantation becomes clinically feasible," Dr. Tucker said.

Other newly awarded research grants went to Dr. Carroll E. Cross, U.C., Davis, for a study of biologic responses of lung lymph cells.

Dr. Jon B. Glazier, U.C. Medical Center, San Francisco, for a study of factors affecting the distribution of blood flow in the human lung.

Dr. Jack D. Hackney, Rancho Los Amigos Hospital, Downey for an investigation of the acid-base balance in the lung.

Dr. Ralph C. Jung, U.S.C. School of Medicine, Los Angeles, for a study of the role of blood plasma in relation to heavy exercise at high altitudes.

Dr. Bertrand J. Shapiro, U.S.C. School of Medicine, Los Angeles, for a study of the changes in body circulation caused by high concentration of carbon dioxide in the air and blood of persons with emphysema.

Dr. Tucker said that Christmas Seal grants awarded earlier in the year are supporting a wide range of investigations aimed at unveiling new information about tuberculosis, emphysema and other respiratory diseases.

Local contributions al-

so are helping to support faculty positions in chest medicine teaching at UC medical school, San Francisco, San Francisco General Hospital, Loma Linda medical school, and Harbor General Hospital, Torrance, and providing teaching aids," Dr. Tucker said.

"Without Christmas Seals," he added, "much vital research in chronic lung diseases could not

be carried on. We hope that our present campaign will allow Christmas Seals to do even more toward the disclosing of unknowns of these crippling lung diseases and helping their victims."

He reminded local residents that it's not too late to send gifts of life and breath to the Tuberculosis and Health Association of San Bernardino County.

Be Yourself

Anyone, on either side of it, who deplores the so-called generation gap should listen to Anne W. Simon. The 50-plus author of "The New Years: A New Middle Age" told a UCLA conference recently that we should salute the gap, not try to bridge it. "Anyone who thinks we should even try to bridge it has swallowed a dangerous cliché," she warns.

What does bridging the gap mean, after all, she asks? "Should teenagers act, talk and think like grown-ups? They can't. They haven't done enough living yet. Should adults think and act like adolescents? Devastating! That means they haven't learned a darned thing from all the years of struggling and working and learning to become contributing members of society."

Which seems to be a rather sensible and plainspoken way of telling all generations: Be yourself!

Sports Car Races At Riverside Re-Set To Feb. 15

The sports car races scheduled for the 1st and 2nd of February at Riverside International Raceway have been rescheduled for the 15th and 16th of February. The change in dates has been necessitated by the re-scheduling of the Motor Trend 500 to the February 1-2 date. "We deeply regret having to change our race date at Riverside," commented Bill Young, President of the sanctioning California Sports Car Club, "but with the terrible weather forcing Riverside Raceway to delay their event we had no alternative."

The two week delay in the race may come as a blessing in disguise to many of the racers preparing new cars for the '69 season. The untimely weather has restricted testing for the last few weeks and many cars were going to be forced to run the race next weekend without any prior time on the track. Now with a two week reprieve, most of the new cars will have an opportunity to shake-down before the rain delayed season opener.

Junior Garden Exhibitors In Orange Show

SAN BERNARDINO - Children's natural ability to grow and arrange plants is a phenomenon which comes to the fore when they are handed the proper materials and left to their own imaginations.

A little of this flora and a little of that plant life arranged in the properly sized containers and you have an interesting entry in the Junior Arrangements and Dish Gardens Division of the Flower and Garden Show at the National Orange Show, March 6 through 16.

This year the show is providing a work area for junior exhibitors between the hours of 4 p.m. and 10 p.m. on March 5 for arrangements to be judged March 6; March 9 for arrangements to be judged March 10; and on March 13 for arrangements judged March 14.

After the flower arrangements are completed

they will be placed for judging in correct display areas by the exhibits committee.

Junior arrangements are made of cut plant material in a decorative container. They are divided into grade level and exhibitors are limited to one entry for each section. These sections are divided into three-three day periods.

Topics for flower arrangements follow the show's major one, "Along the Mission Trails," and include such imaginative titles as Rock Hound, Indian War Dance, Pinaflore Days, Gold Rush, Big Trees and others following the pioneering western theme.

Junior Dish Gardens are for children from pre-school age through third grade and for Juniors from grade 4 and above. Dish garden is made in a container not

exceeding 18 inches and will be shown the entire show period.

For further information and entry blanks contact the National Orange Show, 689 South E street, San Bernardino, 92408, or phone (714) 885-0201.

Entries for Amateur Arrangers, Junior Arrangers, Dish Gardens, Japanese Arrangers and Master Arrangers must be returned by Feb. 15, 1969.

Child Care Costs May Be Deductible

Working mothers may take a tax deduction for a portion of the expense of caring for their children, F.S. Schmidt, District Director of Internal Revenue for Southern California, said today.

Child care costs may qualify for a deduction if they permit the taxpayer to be gainfully employed or to actively seek gainful employment. Children under thirteen years of age are covered by this provision as well as someone who is physically or mentally incapable of caring for himself regardless of age.

Fathers are also eligible to deduct child care costs, Mr. Schmidt said, if they are widowed, divorced, or legally separated.

The deduction may also be taken by a man whose wife is incapacitated or institutionalized.

Mr. Schmidt said the child care deduction is limited to what is actually spent and may not exceed \$600 if there is just one dependent. Up to \$900 may be deducted if two or more dependents are involved. Requirements which must be met to claim this deduction are:

1. Married women must file a joint return with their husbands and reduce the deduction by the amount that their combined adjusted gross income exceeds \$3,000.

(This rule does not apply, however, if the husband is incapable of self-support due to mental or physical cause.)

2. Deductions are not allowed for the care of anyone whom the taxpayer is not entitled to claim as a dependent.

3. If the person receiving the payment performs other duties, only the part paid for the child care may be deducted.

Publication 503, "Child Care and Disabled Dependent Care," which furnishes more detailed information on this subject, may be obtained by dropping a post card to the District Director, Internal Revenue Service, Tax Forms, P.O. Box 1711, Los Angeles, Calif. 90053.

Heart Group To Sponsor Fashion Show Feb. 12

Opening a five-week run at the Castle, home of Garrick Players, Candelmon, Ontario, on February 7 and 8 is Gore Vidal's comedy, VISIT TO A SMALL PLANET.

Montclair resident Don Batten is directing VISIT TO A SMALL PLANET. This is his second year with Garrick Players whom he now serves as a board member. Last year he was seen as the long-suffering bank clerk in DEAR RUTH, whose appearance after being caught in a subway turnstile was one of the year's comic highlights. Proving his diversity, he played the love-struck teen-ager in LAURA, and then the controversial professor in THE VELVET GLOVE. Mr. Batten was active in dramatics in high school, and belonged to Shepherd of the Hills Theater at School of the Ozarks, Branson, Missouri, before coming to California. While in college, he portrayed the role of Kretton in VISIT TO A SMALL PLANET, and he is enthusiastic about the cast he is directing for Garrick Players, headed by Ken Welch, Pomona, as the interplanetary visitor. Batten is a former racing driver, now employed at Pneudralics, Inc., as a quality assurance inspector. He is a student at Chaffey College, finishing up degree work in business administration. The play will run Friday and Saturday from February 7 through March 8. Curtain is at 8:15. Ticket information and reservations are available by calling Sandi McKenzie, 983-3026 or Don Batten, 624-0805.

CLASSIC GIRLS (left to right) Patricia Lore, Jane Rogers and Tanja Peterson hold flags calling attention to the \$122,000 10th Annual Bob Hope Desert Classic to be played February 5-9 at Bermuda Dunes, Indian Wells, Tamarisk, and La Quinta Country Clubs. Arnold Palmer is defending champion of the Desert Classic—he won the 1968 event by defeating Deane Beman to become the first three-time winner.

CameraDay Set Mar. 9 For NOS

SAN BERNARDINO -- A three-hour "shooting session" for photographers has been arranged on the National Orange Show grounds in San Bernardino on Sunday, March 9.

The special "Camera Day" is scheduled for 10 a.m. to 1 p.m. in the Feature Exhibits building, where the California Citrus Queen and her court will be on hand to pose for the shutterbugs.

A feature of the session will be the awarding of trophies to the models chosen as "Miss Camera Day-1969" and "Miss Most Photogenic 1969."

With the pictures they take at the "Camera Day" and others they snap on the Orange Show grounds during the March 6-16 run, photographers will compete for cash prizes totaling \$350, 23 trophies and 240 other prizes in the 11th annual photo competition.

New School Marm Found For Calico Ghost Town

Visitors at Calico Ghost Town, Yermo, California are stopping to meet Dorothy Whitmore, new "school marm" at the restored one-room schoolhouse.

She replaces Ruby Jones, known to thousands of tourists who heard her "teach" in the little school, as the "weekend and vacation school

marm," Ruby retired recently after 11 years at Calico.

Groups of sightseers sit at the old-fashioned desks and hear stories of Calico's silver mining boom days. In school teacher fashion, Dorothy uses a pointer to show them the old McGuffey Readers, the roller towel, and the board with num-

bered holes for teaching "bean bag arithmetic." When not greeting "students" of all ages, Dorothy works in other areas of Calico.

Every day she sees "something new about the very old details."

She looks out a school window and comments on the beautiful desert sky and the colorful Calico

mountains described by miners of the 1880's as "purty, as a gal's pettyskirt."

Known for its authenticity, Calico intrigues tourists of all ages. Children enjoy the burro rides, the seemingly tilted "Krazy House," trips on the narrow-gauge Calico Odessa railroad, and tram rides.

When a job opening was announced by C. Lee Healy, San Bernardino County Regional Parks Department, for someone who "loves nostalgia, a friendly small town atmosphere and 'pupils' from everywhere," many applicants responded. Dorothy moved to Yermo from Santa Barbara.

Arts Fling To Be Staged By Girl Scout Council

Cadette Girl Scouts, numbering more than 1000 and representing 59 troops from the 33 cities within Spanish Trails Girl Scout Council, will be taking part in the Arts Fling held on Saturday, February 1, on the campuses of Pomona and Claremont Colleges. The following is a list of group sessions and consultants in charge of each:

Art -- Pomona College - Mrs. Eugene Keating, chairman; Scripps College - Mrs. Chester Danforth, chairman; Senior Girl Scout - Tina Fielder.
Drama -- Jesse Swan, Associate Professor of Drama and Speech at Claremont College, Harvey Mudd College, Pitzer College and Scripps College.

Interior Decoration -- Mrs. Mary Alice Muncy, professional interior decorator and interior decorations instructor for Sears.
Music -- Charles Heckel, chairman, instrumental music teacher at the California high school in Whittier, Workshops by Mr. and Mrs. Ben Allen, folk song artists from Whittier; Se-

nior Girl Scout - Judy Riger.
Science -- Marine Biology - Mrs. June Vail, Professor of Biology at Mt. San Antonio.
Graphics -- Mrs. Frank Marovich, free lance designer, arts and crafts specialist.
Drawing -- (two sessions) Miss Diane Divilbess, teacher at Cal Poly; James Hueter,

teacher at Mt. San Antonio College.
Painting -- (three sessions) Walter J. Mix, teacher at Mt. San Antonio college and Scripps College; Mrs. Phillis Hepler Skelton, professional painter and teacher; Douglas McClellan, chairman of Art Department at Scripps College; and Mowry Baden, chairman of Art Department

at Pomona College.
Pottery -- (five sessions) Betty Davenport Ford, professional sculptor and alumna of Scripps College; Dion Myers, teacher at Fullerton State College; John Fassabinder, professional potter; Mrs. Daniel Pollman, ceramist; Ken Kitchum, ceramist.

What's Going On In The Southland

ARCADIA: The Winter Thoroughbred Horse Racing meeting at Santa Anita race track will last through April 9.

BIG BEAR LAKE: The 15th Annual Dog Sled races, sponsored by the North Shore Improvement Assn., will be held at Fawnskin Feb. 8 and 9.

BURBANK: The Burbank Symphony Orchestra, directed by Dr. Jan Popper, will be presented in a free concert at 8:15 p.m. Feb. 8 in the John Burroughs high school auditorium, 1920 West Clark ave.

CLAREMONT: "In Beautiful Michoacan," a play about a traditional wedding dance and a gay fiesta, will be presented by the Mexican Players in Padua Hills theater through March 1.

HERMOSA BEACH: More than 3,000 Boy Scouts from 853 troops will march in a parade scheduled for 10 a.m. Feb. 8. The parade honors Boy Scout Week.

INGLEWOOD: The 10th Annual Los Angeles Times Indoor Games, featuring top track and field athletes from throughout the world, will be held in the Forum Feb. 8.

LONG BEACH: The Annual Offshore Powerboat Race from Long Beach to Catalina Island will be held Feb. 8 and 9. The race will begin at 9 a.m. Saturday. Participants will return on Sunday.

Feb. 9. Best vantage point to watch the start is from the area near Belmont Pier.

LOS ANGELES: An exhibit on the life and accomplishments of George Washington Carver will be featured in the Museum of Science and Industry in Exposition Park through Feb. 23.

"Vibrating World," an exhibit of photos taken through a microscope, will be featured in the Museum of Science and Industry through Feb. 12.

"The Sun's Family of Planets," where viewers see a survey of our solar system, is being featured in the Griffith Park Planetarium through Feb. 9. The shows are scheduled Tues. through Fri. at 3 and 8:30 p.m., and 1:30, 3, 4:30 and 8:30 p.m. Saturdays and Sundays. The Planetarium is closed Mondays.

An exhibit of Bunker Hill paintings by Ben Abriel will be featured in the L. A. County Museum of Natural History in Exposition Park through Mar. 30.

"Photo '68" an exhibit of photographs illustrating the Southern California story, will be featured in the County Museum of Natural History through Feb. 16.

NILAND: The 29th Annual Tomato Festival will be held Feb. 6 through 9. The festival grounds will be located on State Route

111 across from the Niland Grade school.

PALM SPRINGS: The 10th Annual Bob Hope Desert Classic, featuring outstanding golfers from throughout the world, will be held Feb. 5 through 9. The tournament will be played on the Bermuda Dunes, El Dorado, Indian Wells, La Quinta and Tamarisk country club courses.

POMONA: Arabian Horse Shows will be held at 2 and 3:30 p.m. each Sunday in the California State Polytechnic college Kellogg Arena.

SAN DIEGO: A display of Chinese and Japanese carved ivory from both gallery and private collections will be featured in the Fine Arts Gallery in Balboa Park through March 2.

An International Art Show, featuring a display of art work in all media, will be held in the Fine Arts Gallery in Balboa Park through April 15. The exhibit, which will be free, will be open from 9 a.m. to 5 p.m. daily.

RETIRES—Guy W. Wadsworth Jr., chairman of the board and chief executive officer of Southern Counties Gas Co., retired at the end of January some 48 years after entering service with the firm and its Pacific Lighting System affiliate, the Southern California Gas Co. Wadsworth will continue his responsibilities as a member of Southern Counties' board of directors. Bruce A. McCandless, former president and general manager of Honolulu Gas Co., succeeded Wadsworth as president of the public utility in January, 1967.

Local Resident Directing Garrick Players Play

A Spring Fashion Show and luncheon, sponsored by the Metropolitan - Hollywood Branch of the Los Angeles County Heart Association will be held Wednesday, February 12, noon at the Assistance League of Southern California (Oval Room), 1370 North Saint Andrews Place, Hollywood.

Chairman of the Fashion show, Mrs. Mabel Fischer explained that the show will serve as a fund raising event and a get-acquainted session for area women and Heart workers.

Rev. Danny Hart will serve as Master - of ceremonies and sing two of his original compositions, "Los Angeles" and "Hawaii."

Patti Bibert, former Orange Bowl Queen and manager of the Michael Gary Gift Shops in the Sheraton Hotel chain will model the latest fashions from the Wardrobe Shop of West Los Angeles. Items from other popular Los Angeles shops will also be shown including a display of the

latest Hawaiian numbers.

Former model and Miss America runner-up Beverly March will narrate the fashion display. She will be assisted by Greta Anderson popular Southern California swimming champion.

A host of entertainers are scheduled to appear. Heading the list are the Choraliers, a senior citizens choral group from the Lafayette Senior Citizens Center. They will be directed by Mrs. Ida Stock and Mrs. Gladys Kiely.

Local favorite Harry Lippitt will sing.

Jim Peel and the "Sweetheart of Los Angeles Senior Citizens, eighty-nine year old, Hally Barri will be at the piano.

Early reservations are advisable. Women interested in attending the fashion show should contact the Metropolitan - Hollywood Heart office, 3471 West Eighth street, Los Angeles, 386-2573. Tickets are \$5.00.

MUSIC MECCA... Typical Coral Gables, Florida Mediterranean architecture is reflected in the main building of the unique Music Club of America. Guest artists perform in free weekly concerts from October through May.

Rural Renewal

Urban renewal is a very much talked-about project, but one California Congressman, at least, thinks it's time we did something about rural renewal.

He is Don Clausen, of the north state First District. Clausen introduced one of the first bills of the 91st Congress on opening day; a bill that would slow the mass migration from farms and small communities to the already overloaded cities. It would, hopefully, revitalize our rural areas through what he calls "a positive program of decentralization."

Basically the Clausen proposal calls for an extensive federal survey, particularly of communities having from 1500 to 100,000 population, to determine those needing, and best suited for, new industry and public projects. The survey would serve as a basis for government and private industry plans for locating new industries and projects in nonmetropolitan areas. Coupled with standardization of welfare programs on a national basis and "a major revision in our tax structure at all levels of government," the proposed effort would, the Congressman feels, achieve a far better use of the taxpayers' dollars and spread economic and social benefits to areas that badly need them.

It is a measure with a potential that should be thoroughly studied in Congress.

Local Ordinances Can Offer Big Trouble

Safeguarding John Q. Public against the possibility of his bringing trouble on himself becomes more difficult every day. Typical is the case of the would-be plumber who doesn't feel he needs either experience or

talent to install a plumbing system. Overlooking his doubtful joint brazing, pipe selection and fitting, plus his dubious choice of components, there is still the very real chance of local ordinances and codes (con-

cerned with sanitation standards) making him rip out his entire job, only to have it done by a licensed plumbing contractor. American-Standard recommends seeing your plumber before you begin work.

Garden News

A QUICK FILL-IN?
There are countless occasions when we want something from trees and shrubs in a hurry: A family moves into an unlandscaped home and is eager to make the place look lived-in; a tree is lost and there is a need for shade; an unsightly view needs to be screened off; or appearances need uplifting for a forthcoming social event.

If any of these possibilities applies to you, your nurseryman can recommend fast-growing plant materials for a quick fill.

If you are in quest of shade, try the fruitless mulberry. It is deciduous but provides loads of summer shade. It will grow by leaps and bounds even in unfriendly conditions from the very start, with proper care.

A tall shrub or small tree - depending on how you view it - is the Victorian Box. It grows rapidly and will branch nicely -- and will also take shaping. In areas where winter frost is a threat, use oleanders, bottle brush, and wax leaf privet. Gardeners in extreme winter areas should resort to such deciduous favorites as Rose of Sharon or Eastern Snowball.

Carolina cherry is winter hardy in most interior valleys and excels as a living screen. Nearer the ground, rock roses and lantana are only two of many you may choose.

Fast growing vines include honeysuckle, the trumpet vine and jessamine.

HERBS: RATE THEM GOOD

Home grown herbs have a freshness that is incomparable. Anyone who has crushed some thyme and breathed its fragrance, or savored the aroma of just-picked parsley, knows what freshness means.

If you enjoy cooking, or just appreciate good food, you should have an herb garden of your own. Space required is minimal. Pots will do the job -- as will a planter box or a small corner of a flower bed. Don't worry about herbs detracting from a planting of ornamentals as most are good looking, as well as good for cooking.

Parsley, for instance, may be used as a border for a small bed of annuals. Try it along a pathway or a circle around the base of a tree.

Generations of gardeners have planted mint by a water faucet, where its breath may be savored whenever the hose is turned on. Since it is rapid to spread, C.A.N. members recommend confining its roots in a container, either in the ground or in pots in the patio.

Standbys of kitchen use are thyme, marjoram and rosemary--with sage and savory or basil close runners-up. They are usually available at nurseries in the fall, usually in small pots.

Food

Flavor of Maine

A Maine Sardine Pizza is just one of the delectable treats featured in a new recipe book which has just been issued by the Bureau of Commercial Fisheries and the Maine Sardine Council. Called "Flavor of Maine," the book also includes an interesting article on the catching and canning of this nutritious little fish. The book may be obtained by writing the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

MAINE SARDINE PIZZA
3 cans (3 1/2 or 4 ounces each) Maine sardines
2 packages (14 to 15 1/2 ounces each) cheese pizza
1 package (4 ounces) shredded Mozzarella cheese

Drain sardines. Prepare pizza crust according to package directions. Cover crust with sauce. Top with sardines. Sprinkle cheeses over pizza. Bake in a hot oven, 425° F., for 20 to 25 minutes or until crust browns and cheese melts. Makes 6 servings. (NP-Features)

TAX ANSWERS ?

Q - Why did you use color on the 1040 tax form you mailed me?

A - Color is used to draw attention to the lines on the tax form that give people the most trouble. It is hoped that the number of errors made on tax returns will thereby be reduced.

Last year, one of every nine income tax returns filed contained an error that slowed processing. If the taxpayer was expecting a refund, it was delayed until the error could be corrected.

Two-color forms were sent to about 30 million taxpayers. The balance of the forms mailed to taxpayers and those which will be available at local banks, post offices and IRS offices, are printed in black ink.

Q - I mailed a check to a charity in December but it was not cashed until this January. Does this mean I can't deduct it on my 1968 return?

A - You may take the deduction in the year you wrote and mailed the check. This means that a check dated by you in December 1968 can be deducted on your 1968 return.

Q - The label on the tax return I received in the mail is wrong. What should I do?

A - Draw a line through the incorrect part and put in the proper information. Return the corrected label with your return when you file so that your return will be properly identified and the needed correction can be made on your tax account.

Q - What insurance premiums are deductible as a medical expense?

A - Premiums paid for policies providing medical care are deductible as a medical expense for taxpayers who itemize. No deduction may be taken for life insurance premiums or for those paid to provide weekly benefits in case of disability.

Don't forget that medical insurance premiums should be handled differently than other medical expenses. Most medical expenses need to be reduced by 3 per cent of the taxpayer's gross income before they can be deducted.

For medical insurance premiums, however, one half of this cost up to a maximum of \$150 may be deducted without regard to the 3 per cent rule. The excess is then subject to the 3 per cent rule. This is explained in the 1040 instructions.

Q - If I file for a refund of taxes withheld on a summer job, will my parents lose their exemption for me? I'm a college student and not married.

A - No, your parents will not lose you as an exemption, so long as they furnished over half your support. In this situation the same exemption may be claimed on two returns, yours and your parents'.

Q - When is the next payment due on my maid's Social Security?

A - The next quarterly return and payment is due January 31 for the calendar quarter ending December 31, 1968.

Also due by January 31 is a statement to your maid covering the total amount of wages paid and Social Security taxes withheld during 1968.

This statement may be made in any form suitable for your maid to keep. It should show your name and address as employer, your maid's name, address and Social Security number, the total amount of wages paid out, the total amount withheld for Social Security tax. The statement should indicate that the employee's tax of 4.4 per cent includes .6 per cent to finance the cost of Hospital Insurance Benefits.

For your convenience, IRS has prepared Form SS-14, that may be used to provide this information to household employees. Copies may be obtained by sending a post card to your district director.

Q - Do you have to report as income insurance compensation for injuries

received in an auto accident?

A - No, damages for injuries suffered in an accident are tax free.

Q - I can't find the W-2 form I got from my summer job. What should I do?

A - Contact your former employer and ask him for a duplicate copy of your W-2 statement.

Pomona Library Observes Negro Week Feb. 9-15

Negro History Week (February 9 through 15) will be observed at the Pomona Public Library with a special book display and a film program. "A Walk in My Shoes," an ABC film, will be presented for the public in the Audio Visual Preview Room at the library on Tuesday, February 11, at 7:30 p.m. This film explores the world of the Negro-American and listens to him as he speaks in many voices. A former NAACP president tells of a freedom ride into the deep south. Malcom X,

of the Black Muslims, presents his viewpoint. "A History of the Negro in America" will be the film shown on Thursday, February 13, at 7:30 p.m. in the Audio Visual preview room. This film traces the Negro in America from 1619 to the present covering slavery, the Civil War, the Emancipation Proclamation, the Reconstruction era, and modern times.

The film programs are presented for the general public and there is no admission charge. For further information, please contact the Pomona Public library at 625 S. Garey ave., or call 623-5211.

SMOKIE LINKS SPAGHETTI

- 1 package (1 lb.) Smokie Links
- 1 can (8 oz.) tomato sauce
- 1 can (6 oz.) tomato paste
- 1 can (4 oz.) mushrooms, drained
- 1/2 teaspoon salt
- 1/2 teaspoon basil
- 1/2 teaspoon oregano
- 4-6 ounces spaghetti, cooked
- 1/2 cup shredded Mozzarella cheese
- 2 tablespoons grated Parmesan cheese

Preheat oven to 375°. Cut Smokie Links into bite-sized pieces. Mix tomato sauce, tomato paste, mushrooms, and seasonings. Add spaghetti and Smokie Link pieces; mix well. Spoon into 1 1/2 quart casserole; sprinkle with both kinds of cheese. Bake 30 to 35 minutes, or until heated through. Makes 4 servings.

Pomona Valley Employment - One Of Nation's Best

POMONA-Inland Bank, in its quarterly economic review, reported today that Pomona Valley, with an all-time peak level of over 100,000 jobs and an average annual employment growth rate higher than the county, state or nation, is well under way toward becoming one of the leading industrial complexes in Southern California.

The report was prepared by the Claremont economist, Dr. Gerhard N. Rostvold, and released by Bank President Wilson H. Asdel.

40,000 NEW JOBS

The bank reported that over 40,000 new jobs were added to the employment base of the Valley in the eight year period from 1960 to 1968, with an average annual rate of increase of 6.5 percent.

Between 1963 and 1968, the report said, the average annual Pomona Valley job increase rates have topped the region, the state and the nation. In the five year period the Valley gained an average of 5.0 percent a year in total employment and 6.6 percent in manufacturing employment.

Los Angeles County, in the same period, gained 2.8 per cent, the state 4.0 percent and the U.S. 1.9 percent in total employment. Percentile gains in manufacturing employment were 2.7 for the county, 4.0 for the state and 3.4 for the nation.

REASONS GIVEN

Dr. Rostvold said that at least four basic conclusions can be drawn about current Pomona Valley economic development from the comparative growth rates:

1. The rate of increase in basic employment in manufacturing lines of activity is higher than in non-basic areas of economic activity.

2. Pomona Valley is one of the areas benefiting from industrial dispersion forces which are producing a migration away from the urban core area of the city of Los Angeles.

3. The present stage of Pomona Valley development marks it as a young, emerging industrial economy, and in early areas of transition from agriculture to manufacturing as the primary source of income, output and employment, and

4. The rate at which Pomona Valley is outpacing the state and the nation in economic growth and development indicates that a special sort of thrust forces is at work in its economy.

The bank report said that the significance of the recent growth in basic manufacturing employment throughout Pomona Valley lies in the multiplier effects such employment has on employment as a whole.

"The injection of one basic manufacturing job into the local economy will create an induced demand for several new jobs in non-basic lines of economic activity, namely retail trade, services, finances, construction, government, etc., the bank said.

During the past decade the ratio of basic manufacturing employment in retail trade, finance, services, etc., in the Valley has been 1 to 2.5 and has remained fairly stable at that level, giving the area a constant multiplier ef-

fect of 2.5 for every new manufacturing job.

"With the prospect that basic manufacturing employment will continue to increase," the bank said, "it is easy to conclude that the total employment base of Pomona Valley will continue to grow at an accelerated pace during the next several decades."

"This bodes well for the local economy since a skilled labor pool represents one of the prerequisites for new industrial in-migration."

"When the growing labor pool is coupled with the vast reservoir of prime vacant industrial land, the extensive transportation facilities of the Valley and other economic factors, the path toward healthy economic growth and development is assured."

The Inland report also analyzed the changing profile of the Pomona Valley Employment base.

Four lines of economic activity - Manufacturing with 27.3, trade with 19.2, services with 17.1 and government with 15.9 percent - provided nearly 80.00 percent of total employment in 1963. By 1968, these four areas increased their share to 86.0 percent to further accentuate the area's transition from an agricultural to an urban-industrial character.

JOB INCREASES
The number of jobs in agriculture decreased from 2,300 or 3.0 percent of total employment, to 1,700, or 1.7 percent of the total.

The report held it especially significant that manufacturing in Pomona Valley accounts for 29.3

percent of total employment. This compares with 26.0 for the U.S., 21.6 for the state, 29.8 for Orange County and 17.0 for San Diego County.

This analysis, the report concluded, indicates that Pomona Valley is well under way toward a new role as one of the leading industrial complexes of the Southern California region.

Why Is America Misunderstood? CP Topic, Feb. 6

"Why Is America Misunderstood in the World?" will be the topic of Dr. Nuri Eren, ambassador, Turkish Permanent Mission to the United Nations, at a lecture on Thursday, Feb. 6.

To be held in the College Theatre at 11 a.m., the lecture will be an analysis of the American image and will provide an evaluation of American action and non-action in international image - building.

Dr. Eren has represented Turkey at the United Nations for a number of years. A Fellow of Princeton University, he has contributed articles to "Foreign Affairs" and "Harper's".

The Turkish diplomat is currently on a tour of the California State Colleges as part of the Chancellor's Lecture series. The public is invited to the free lecture.

The United States government had no military policy at all for the first 140 years of its existence.

HOUSEWARMER

Mini-furnace cuddled by Joyce Ryan of Chelmsford, Mass., can heat a nine-room house. Developed by Raytheon Company engineers, the experimental gas-fired device is compact - the size of a two-pound coffee can - and extremely efficient. Heating development is outgrowth of studies to cool high power radar tubes.

ITEM: Home accidents involving equipment commonly found in the home more often than not affect children. Twelve items most usually involved include home machinery, heating devices, clothes wringers, power mowers, cooking stoves, skillets, sockets, and appliance cords.

ITEM: Felt tile squares, easily installed on any floor from concrete basement up to the attic were recently introduced at a New York carpet showroom. The 20-inch squares can be installed wall-to-wall. They require no cushioning, are made from animal hair and felting in several colors.

ITEM: Quality and color are the main considerations in selecting pearls, whether natural or cultured. Hold pearls to the light and turn slowly. Better quality pearls reflect little light. If light is reflected with a transparent effect, the coloring is thin.

PFF Offers Low Interest Money To Aid Rebuilding

A half million dollar low interest disaster fund was set up by Pomona First Federal Savings and Loan Association today to help victims of the recent flood repair their homes.

Paul D. Walker, president, said the money will be made available for loans up to \$5,000, effective immediately, at a special home improvement loan rate starting at 4 per cent.

He said the fund will remain in effect until Feb. 28. Loans will run for a maximum of 60 months and will be available to qualified home owners in communities which are served by the association's eight offices.

The program, Walker explained, is in addition to the assistance offered by the federal Small Business Administration today to help victims of the recent flood repair their homes. The SBA is qualified to approve loans in amounts up to \$20,000 on dwellings and \$35,000 on furnishings for a maximum of 30 years at a rate of 3 per cent a year.

"The program at Pomona First Federal supplements the Small Business Administration program and primarily is for those families who want quick decisions on their loans."

Walker said the establishment of the special disaster fund is the association's way of bringing quick relief to the communities it has served since 1892. He said the interest rate is nearly two per cent lower than the normal home improvement loan charges.

Residents interested in

the program may get more information by calling the office nearest to them. Offices are located in Pomona, San Dimas, Chino, Claremont, Upland and Yuca Valley. Those who live in the Pomona area are asked to contact Mervin Soden, manager of the Indian Hill Office.

Equestrian Estates Still Has Flavor Of Old West

There have been a few changes since Winston Riley of Fullerton first rode through the Diamond Bar countryside on horseback more than 25 years ago. Not far away is a freeway, and a shopping center and golf course are nearby.

But the rolling terrain dotted with oaks and walnut trees, and the winding bridle paths that have been used by riders since the Spanish occupation are still there — all nostalgic influences that prompted Riley's decision to become the newest

property owner at Diamond Bar Equestrian Estates.

"This countryside has always appealed to us and we found the land at Equestrian Estates much more reasonable than in other surrounding areas," Riley said. "We were able to purchase a full acre homestead at a price comparable to half-acre sites elsewhere."

"As a child living in Buena Park, I used to ride in the Diamond Bar to see the rodeos," Riley added.

MOVE INSERT Riley, his wife Laur-

ene, and their three children are anxious to move into their new home before school starts in September.

They've already met with Laguna Beach architect Robert O. Bland to work up plans for their tri-level house and separate stable facilities which will accommodate three horses for a starter. Construction will begin in the spring, according to Bland, who has designed four other ranch-style homes at the exclusive new community.

Equestrian Estates is a private residential community owned and developed by Transamerica Development Corporation, offering a limited number of spacious homesites in half-acre to one- and one-half-acre estate parcels secluded behind guard gates. They range in price from \$9,990 to \$25,000 with terms as low as \$495 down and \$100 per month. Equestrian Estates is located on Diamond Bar boulevard between Brea Canyon road and Pathfinder drive.

\$25 Round Trip To Bay Air California Special

NEWPORT BEACH---Air California announces its new bargain WEEKENDS UNLIMITED fare effective Feb. 1, 1969, according to Dudley F. Miller, Vice President, Marketing.

The WEEKENDS UNLIMITED \$25 fare allows passengers unlimited weekend travel over all Air California's routes between midnight Friday to 5:30 p.m. Sunday, on a confirmed reservations basis. The new fare is good through April 30, 1969.

"The new WEEKENDS UNLIMITED fare is designed to afford those people living in Southern or Northern California the jet travel to the many scenic and entertainment attractions to be found throughout the state," Miller said. It is believed that the appealing fare is being offered for the first time by any airline serving the west coast and is in keeping with Air California's continuing policy of bringing

the finest jet travel service to the traveling public at low bargain fares.

A WEEKENDS UNLIMITED ticket entitles the passenger to fly "all he wants" on as many scheduled flights as offered by Air California, during the applicable weekend validity period.

AIR CAL operates six Boeing 737 jets from Orange County to San Francisco, Oakland, and San Jose, and from Hollywood-Burbank and Ontario to San Jose and Oakland.

County Supervisors Aviation Board Meets In Solvang

The County Supervisors Association of California Aviation Advisory Committee has been meeting at the Alisal Ranch in Solvang. The meeting is in conjunction with the University of California short course on Airport Management.

Among the speakers was Supervisor Daniel D. Mikesell, CSAC Transportation chairman, and Joseph Crotti, State Director of Aeronautics. Supervisor Mikesell spoke on Airport Systems Planning, explaining to the Institute of Transportation and Traffic Engineers the Southern California Association of Governments (SCAG), (Southern California Aviation Council, Inc.) Representatives were invited throughout the State of California by the University of California and their Institute of Transportation and Traffic Engineers.

Keep in Place

If you have trouble in keeping the mattress pad in place on your bed, just sew four wide strips of muslin to it, placing one on each side, and one on each end of the pad. Tuck these strips under the sides of the mattress, and at the head and foot of the bed, and you will find you have no more trouble in keeping the pad in place.

MAKING PLANS -- Laurene and Winston Riley, right, of Fullerton go over plans for their new home at Diamond Bar Equestrian Estates with architect Robert O. Bland, second from left, and Tom Mortellaro, general sales manager of the exclusive residential community. Riley first rode through the Diamond Bar countryside on horseback more than 25 years ago to see the rodeos. A limited number of spacious homesites in half-acre to one- and one-half-acre estate parcels are priced from \$9,990 to \$25,000.

TV News Must Analyze, Evaluate, CP Lecturer Cecil Brown Says

"The great need in television news broadcasting today is timely commentary that analyzes, evaluates and interprets the happenings. A visual and oral presentation of the events themselves is not enough."

The speaker, Cecil Brown, is one of the foremost news commentators of the past 30 years, currently, a lecturer in the Communication Arts department of California State Polytechnic College, Kellogg - Voorhis, Pomona.

He is most happy to be doing something about the broadcasting situation by teaching television news writing and analysis to prospective commentators of the future.

"When you consider that 64 per cent of the public gets its information from the 'box,' it seems to me the TV industry owes the public a presentation that provides the most accurate impression of what has occurred."

"Focussing the camera

on the violence, such as the Chicago situation during the Democratic Convention, without interpretation does not do the needed job; it leaves only an incomplete, distorted and confused impression," Brown said.

Unfortunately, he said, the telecast of violence from Chicago was the only impression a great many persons had. The really interested viewer, however, turned the next day to Walter Lippmann or other syndicated news columnists for an appraisal of the confusing situation.

"In the latter case, you might say TV defaulted a responsibility to the newspapers," he observed.

Brown disputes the concept that a competent commentator does not have viewer appeal, and points to his own success with KNBC-TV, Los Angeles. His nightly show had the highest rating of any news program on the station including the Huntley Brinkley report.

He gave up the show in 1964 to join KCET, Channel 28, the educational television TV station, as director of news and public affairs. Again, his nightly commentary, "Comment," had the largest audience of any program on the station and earned the duPont Award for the "Best News Commentary in the United States."

Brown, 61, has been writing, lecturing and teaching since his retirement from KCET in 1967. A life-long journalist, he began working as a radio commentator in 1939 as the Rome correspondent for CBS. The Paul White directed team consisted of Brown; Edward Murrow, London; William L. Shirer, Berlin; and Eric Sevareid, Paris.

Now, Brown is looking forward also to teaching a modern history course at Cal Poly this spring. He'll cover the post-World War I period through the present.

CP NEWSMAN "MAKER" -- Cecil Brown is shown above discussing the principles and techniques of broadcast journalism with two Cal Poly students during a radio and television reporting class. Brown is currently a lecturer in the communication arts department at Cal Poly, Pomona.

Coin Collectors To Hold 14th Annual Convention

The Numismatic Association of Southern California, an association of Southern California coin clubs and members, will hold its fourteenth annual convention February 14-15, at the Los Angeles Hilton, Corner, Wilshire and Figueroa in Los Angeles, California.

There will be 93 Bourse Dealers in attendance from all over the United States and from Canada. Practically any type or kind of coin you desire can be purchased from these dealers.

The Association also has an EXHIBIT ROOM where individuals as well as clubs may display their coins. Application must be made to the Exhibit Chairman for space to exhibit.

This year the Association is sponsoring their own EDUCATIONAL FORUM to be held Friday afternoon, 14 February, at 2:00 p.m. in the St. Louis - Foy Room at the Hilton. Three (3) outstanding speakers will be featured. They are:

Mr. Abe Kosoff Subject: The Lilly Collection.

Mr. Kosoff is an outstanding coin authority and collector in the Los Angeles area. He was recently involved with the famous Lilly Collection which was presented to the Smithsonian, helping to catalog and identify the coins.

Mr. Chester L. Krause Subject: Changing Times

Mr. Krause is owner of Krause Publications, Inc. of Iola, Wisconsin, which publishes The Numis-

matic News, a weekly coin newspaper.

Mr. James A. Conlon Subject: The Progress of Currency Manufacturing

Mr. Conlon is the Director of the Bureau of Engraving and Printing of our Treasury Department in Washington, D.C. He will tell us how our paper money is made.

There is also a Coin Auction held during this show. Paramount International Coin Corp. of Englewood, Ohio will have charge of this sale. There will be three (3) sessions as follows:

FIRST SESSION Friday 14 February 1:00 p.m.

SECOND SESSION Friday 14 February 7:30 p.m.

THIRD SESSION Saturday 15 February 1:30 p.m.

The Featured Attraction of this Convention-- for the very first time in our Los Angeles area -- will be from the Bureau of Engraving and Printing of the Treasury Department in Washington, D.C. The Bureau will furnish an operating hand intaglio press on which a Bureau craftsman will print currency notes in view of the public in attendance. The press operation will be supplemented by an oral explanation of the engraving and plate printing processes and procedures used in currency production. Do you want to know how your paper money is made? Come to the convention and see for yourself.

The Bureau of Engraving and Printing designs, engraves and prints for

the Government currency, bonds, notes, bills, and certificates; Federal Reserve notes; Federal Farm Loan and Federal Mortgage bonds; and revenue, customs, postage and savings stamps. In addition to the work that is plate printed from engraved plates, many items such as liquor stamps are produced on surface printing presses. The Bureau also performs similar functions for the insular possessions of the United States and the Canal Zone.

The Bureau operates under a Director who is appointed by the Secretary of the Treasury. The plant and main offices of the Bureau are in Washington. A field unit is located at the plant of the paper contractor to maintain control and take custody of all distinctive paper manufactured for the Bureau.

We are being honored also by having Mr. James A. Conlon, Director of the Bureau of Engraving and Printing, attend our convention. This will be his first trip to our fair state of California. He has kindly consented to participate in various phases of our convention, including the Educational Forum, when he will give us various facts on how the Bureau works.

The convention opens each day at 9:00 a.m. and will be open till 10:00 p.m. on Thursday, Friday, and Saturday. On Sunday the convention will close at 3:00 p.m.

The public is invited to attend.

Claremont Sets Feb. 7-8 Clinic On Reading

CLAREMONT - Ray Bradbury, famed playwright and author of 12 novels and over 300 short stories, will be one of the principal speakers at the 36th Annual Claremont Reading Conference, the conference, which is sponsored by Claremont Graduate School, will be held Friday and Saturday, February 7 and 8. It is open to the public.

This nationally known conference is mainly designed to bring primary and secondary school educators abreast of the latest techniques in the development of language and reading in school children. "Reading," as viewed at the Claremont conference, is the capacity to think and to learn to communicate ideas in a variety of ways.

The opening address, on the conference theme of "Sign and Significance," will be given by Northrop Frye, author, lecturer and professor of English at the University of Toronto. The two-day conclave will consist of a series of seminars and meetings on a variety of subjects. A special event at this year's gathering will be an evening devoted to "reading" through the performing arts.

Tickets are available for all or any part of the conference. For further information, telephone Claremont Reading Conference, (714) 626-8511; Ext. 3750, or write to Claremont Reading Conference, Claremont Graduate School, Claremont, Calif. 91711.

Pomona Freeway Bids Ontario To Pomona Set For March 27

Bids are being called for the construction of the Pomona Freeway (State Route 60). C.V. Kane, District Engineer of the Division of Highways in San Bernardino, announced today that bids will be opened in Los Angeles March 27, 1969 for the construction of a six-lane freeway on Route 60, between the Los Angeles County Line and Euclid avenue in Ontario.

Mr. Kane explained that this segment of Route 60 will be constructed on new alignment from Los Angeles to Mira Loma. The above 4.5 mile project will be situated approximately 1 - 3/4 miles southerly of the present Route 60.

The project includes the construction of four interchanges, five crossings and a railroad overhead crossing the Chino spur line of the Southern Pacific Railroad.

The interchanges are: Ramona avenue Overcrossing, Central avenue Overcrossing, Palmetto avenue Undercrossing,

Euclid ave. Overcrossing (construction of west half of interchange only).

The street crossings are: East End ave. Undercrossing, Pipeline ave. Overcrossing, Monte Vista avenue Overcrossing, Benson avenue Overcrossing, San Antonio avenue Undercrossing.

The new freeway will be elevated as it crosses the Los Angeles County Line. After crossing the Southern Pacific tracks, it will descend to pass under the existing streets from Pipe-Line avenue to Benson avenue. From that point easterly, the freeway will again be elevated to the end of the construction at Euclid avenue.

The initial construction will consist of six concrete lanes with provision for future widening in the median, when warranted. Because the freeway will be on a new alignment, no detours for State highway traffic will be required. Detours will be provided for two major

cross streets - Ramona avenue and Central avenue, which will remain open to public traffic at all times. The remaining cross traffic will be handled by alternate closing and opening of various streets.

The contract allows 270 working days which would mean completion is expected about the summer of 1970.

The total cost of the project is estimated at about \$8.5 million. In Los Angeles County, bids will be opened March 6, 1969 for five miles of Route 60, from Brea Canyon (Route 57) to Los Angeles County Line. This project is anticipated to be completed also during the summer of 1970, thus adding over ten miles to the Pomona Freeway easterly to Ontario.

Kane remarked he is hopeful that about this time next year the State will be advertising the second unit of the Pomona Freeway, from Euclid avenue to Mira Loma.

Sammy Davis Due To Appear At Melodyland

Sammy Davis Jr. will make a rare in-person appearance in the Southland in February, it was announced today by Melodyland producers Sammy Lewis and Danny Dare.

The show - stopping singer is set to do four performances at the Anaheim showplace: 7 and 10 p.m. Saturday, Feb. 22, and 5 and 8:30 p.m. Sunday, Feb. 23.

Reserved seats are available now by mail order only.

Next attraction at Melodyland is "The Jimmy Dean Show," opening Tuesday, Feb. 4, for one week.
